Cont. page 2 column 1

PARISH COUNCIL NOTES

Parish Council Notes – Council Meeting 4th July 2018

Planning: Windrush Restaurant. Cotswold District Council recently considered a retrospective planning application from the owner of the Windrush Restaurant for the '*Retention of works to Windrush Restaurant, including air intake and extraction flues, air conditioning units, the erection of a detached refrigeration unit and gas box, the erection of a stone wall and gates and boundary fencing, the extension of the flat roof above the lobby, insertion of new windows and doors, increased width to the kitchen and restaurant extensions and the erection of a timber hanging sign*'. CDC refused all aspects of the application except the hanging sign. They have given their officers delegated authority to take enforcement action.

The former Lloyds TSB Bank is also the subject of a planning application to become a Fish and Chip Restaurant with letting rooms above. The change of use will make very little difference to the exterior of the building. The Parish Council has asked CDC planners to impose a number of conditions which should minimise disturbance to neighbours and ensure that the exterior signage is in keeping with the village setting.

Roads and Traffic. Parish Councillors recently had a very useful meeting with officers from Gloucestershire County Council Highways to consider a package of measures to tackle parking and other traffic issues. Once GCC has drawn up the necessary plans there will be a public consultation. As part of this, the Parish Council will organise a public meeting so that all residents have an opportunity to see what is being proposed and to make comments. The Council is going to draw up a model letter which can be given to bus drivers who come into the middle of the village to drop passengers on double yellow lines.

Byelaws. The Parish Council has been working on new bye-laws in respect of the Village Green, playing fields, playgrounds and many of our footpaths and open spaces. The byelaws will help to protect the environment and prohibit activities which cause unreasonable noise and disturbance. By the time you are reading this, we should have submitted the byelaws to the Ministry of Housing, Communities and Local Government for approval by the Secretary of State.

The Victoria Cross Commemoration Saturday 10th November. This autumn the village will be commemorating the award of a Victoria Cross to Lt Col Dudley Johnson who was born here. Lt Col Johnson was awarded the VC for '*conspicuous bravery and leadership during the forcing of the Sambre Canal on 4th November 1918*'. We will be marking the event with a Parade and the unveiling of a plaque followed by refreshments at the Village Hall. More details will be published nearer the time, but save the date.

Lock up your bikes!

Somebody kindly nicked my machine - I hadn't locked it up - and mortally wounded it. Thanks to Amanda and John for finding and retrieving it. But the lesson is get a lock from Hartwells and USE it! One of my fellow councillors has offered me one but that is my message of the month

Bill Wragge

Noise from Tractors Cutting Grass

An article from Helen Kennedy appeared in the July edition of the Bourton Browser regarding Noise from Tractors Cutting Grass. Firstly I am surprised that the editor even gave this space, and secondly cannot Helen just appreciate 'The Circle of Life' in the countryside. I am sure that she and her neighbours would be more upset if the fields in question were simply allowed to go to seed which would then blow all over her garden. By the sound of things, this may well be her preferred option. Does using lawn mowers, strimmers and leaf blowers cause her the same amount of anguish, as these can be heard much more widely throughout the village on an almost daily occurrence through the summer. **Bill Limbrick.** Editor: We try to include all views where possible but I think this story has now run its course!

continued from Page 1, column 2

Playgrounds. The annual health and safety checks have been carried out on the play equipment and all was found to be in good order. It has been suggested that more adult seating might be needed. If you are a visitor to these play parks and would like more seats, please let the Parish Council office know.

Village Green. Six new seats have recently been installed on the Riverside Walk and the others have been painted. The Parish Council is working with those who use the Green for events, such as duck racing, to ensure that no one area suffers too much wear and tear.

Allotments. New notice boards will shortly be installed at the allotments. The allotments will be entering the Moreton Show competition again this year and we wish them all the best, particularly with this year's very challenging growing conditions.

Next Parish Council Meeting:

Wednesday 1st August at 7pm in the
Community Centre.

Staff Vacancy- Hartwells (Ironmongers)

We are seeking a lady or gentleman to work 2 or 3 days every week as a sales assistant. This is a permanent position

Please 'phone 820405, or call in for more details.

IRENE'S CHARITY KNITTING CIRCLE

This month we will be preparing for the Bourton Show which takes place on Saturday, 25th August, in the Royal British Legion Hall. We have been invited to set up a Presentation Stand where we will be displaying examples of the items of knitting and crocheting that our ladies produce throughout the year. We hope that a large number of people will visit us during the show to see the wonderful efforts made by our members and to learn more about how their efforts support charities both abroad and in the UK through our distribution depot in Telford and also locally to hospitals and care homes.

For further information about our activities contact:

Bourton Browser Team News

August is a month of events and we have two major ones in Bourton. Our first ever Cotswolds Motoring Festival at the Cotswolds School on 12th and then The Village Show on 25th at the British Legion Hall.

The Village Show is open to everyone and there's plenty of opportunities for both adults and children to get involved. There are classes for fruit, vegetables, flowers, art, craft and cookery. You can see and download the schedule from our website www.bourtonbrowser.co.uk Why not have a go this year, it's cheap to enter, 25p per adult entry and 10p for child entry, and it's great fun. Creating their entries is a fantastic way of keeping the kids or grandkids occupied during the

summer holidays! Even if you don't enter anything, do come along and have a look round and have tea and cake from 2pm. See page 11 for article. For full details of the festival of motor-ing see page 12.

Meanwhile don't forget to watch our new website for updates throughout the month. Also keep sending in your diary dates for forthcoming events throughout 2018 so we can add them to the online village diary which can be accessed through the website:

The Mystery of Whiskey Chapter 3

"Will we have a chapter 3?" Well! What can you say of a scallywag of a ginger tom? He is still staying out many hours, 24-36 at a time, & does not conform to house rules. Ah! Wait a minute, what is that I see on our grass, a ball of black & ginger having a rolpolpy. Smokey, the black cat from over the way, wants a bit of fun. They have broken away & are sitting looking at each other now. Oh! They are having another go! Its like watching a boxing match. How lovely to have a friend who wants a cuddle, & that goes for all of us! Late one evening a gift for us, a small vole, very pretty, still alive, a great play thing for Whiskey, then Smokey appears & just sits to watch, he didn't want to play. Hopefully our rascal of a cat will change his tune & decide to live with us & explore our neighbourhood. Waiting for the day when our dear Whiskey will sit on our laps and fuss around our ankles. **Mollie and Derek Wise**

- 2 Large treatment rooms (including a Double room).
- A Spray tan room.

We offer a wide range of products and services to cater for all.

Pioneering wildlife visitor centre opens in the Cotswolds

Ellie Harrison, presenter of Countryfile, is one of the first people in the county to try out the attractions at Greystones, an exciting new National Lottery funded wildlife visitor centre in Bourton-on-the-Water. At the official opening on 5th July Ellie led a hands-on nature workshop for local children, visited the site's replica Iron Age roundhouse, tested her wildlife knowledge on a digital quiz in the Discovery Barn and explored the site's signposted trails.

Greystones is run by Gloucestershire Wildlife Trust, a charity which manages 60 nature reserves around the county and inspires people to engage with the county's outdoor places. Gloucestershire Wildlife Trust has been renovating Greystones – a former derelict farm – into a pioneering attraction, thanks to more than £750,000 National Lottery funding from the Heritage Lottery Fund (HLF), Grondon Waste Management, other supporters and dozens of volunteers. "The next chapter of the Greystones story has now begun. In it, everybody has the opportunity to immerse in nature and walk in the footsteps of our ancestors on this incredible ancient site," says Ellie, who is also the president of Gloucestershire Wildlife Trust. In all, Greystones covers 66 hectares (around 80 football pitches). The site where Greystones is located has a unique history: people have gathered, lived and worked here for more than 6,000 years, and it is possibly one of the first places in the Cotswolds to be inhabited. It was particularly important during the Iron Age (about 2,500 years ago) when it became a regional centre for trading. Nerys Watts, Head of HLF South West, said: "A place of discovery for people of all ages and a starting point for the exploration of the wonderful wildlife, landscape and stories of the Cotswolds, National Lottery funded Greystones has opened its doors on an exciting future for the nature reserve and its visitors. Congratulations to all the volunteers and project team who have made this project such a success."

Entry to Greystones is free, but there may be a charge for some events. To find out what's on, visit gloucestershirewildlifetrust.co.uk, email info@gloucestershirewildlifetrust.co.uk or call 01452 383333. To see the full article and more photographs please go to www.bourtonbrowser.co.uk

Bourton Road Runners

Bourton hilly half marathon

More than 120 people completed Bourton Roadrunner's testing hilly half marathon on Saturday 16th June. The overall winner was John Parker, Cheltenham &

County Harriers, in 1:16:42 followed by Kieron Summers, Weston AC, in 1:19:00. Bourton's Tim Carter ran well to pick up 3rd place in 1:20:05. The ladies race was once again won by Shona Crombie-Hicks, now running for Tewksbury, in 1:28:15 with Kate Krzywiec, North Cotswold Tri and Run, 2nd in 1:30:57 and Fee Maycock, Cheltenham & County Harriers, 3rd in 1:33:05. With most Bourton Roadrunners busy marshalling and helping, only one other Club member ran. Tom Hill, in his first half marathon wearing Bourton vest, completed the course in 2:01:04. Picture by Donna Harper

Bourton Roadrunners win in different styles

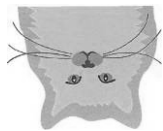

Two Bourton Roadrunners won quite different contests last week. At the Chippenham 10K on 20 June, Steph Lane sat behind her closest rival for most of the race before confidently putting in a final burst to open up a 4 second lead, crossing the line in 40.12 for first lady. Meanwhile, on a hot Sunday 24 June, Conor Shoemark led from the start at the Sherborne 10k to win in 38.02 - more than 4 minutes ahead of the next runner. A further 12 Bourton Roadrunners competed over the challenging, off-road course through the National Trust

woods. Darren Long was 4th overall in 43.16; Niamh Shoemark was 10th overall and 2nd lady in 45.24. Others recorded some great times too: Chris Lomax, 45.49; Martin Cook, 45.55; Andy Peaston, 47.39; Jenni Glass, 50.37; Bob Fletcher, 52.54; Catherine Gilbert, 56.20; Chris Dry, 56.49; Liz Hulcup (2nd LV65), 58.57; Dave Turnball (2nd MV60), 59.37; Linda Edwards, 1.01.44. **Chris Dry**

Bourton-on-the-Water Women's Institute

At our meeting on 10th July our Guest Speaker was Lynne Bitterlin from "The Hat Shop" in Charlton Kings.

Lynne showed us exceptional hats for a 'perfect day', whether it be a Special Wedding, Ascot, The Gold Cup, or a Garden Party – "get a hat and look fantastic" was the message. Needless to say, the styles and colours were fabulous whether you want to spend £90 or up to £500, the choice is yours.

We thoroughly enjoyed trying on 'statement hats' – specialist vintage hats and head pieces with feathers, flowers or netting. Trend colours for this season have been: blush, cobalt blue, navy and the ever popular black.

Lynne also offers a very popular hire service where you can choose the perfect hat for your outfit at a very reasonable rate "The Hat Shop" can give you further details.

Our next meeting is our Annual Garden Party to be held on 14th August at The Coach House, Bourton on the Hill – (a Members Only get-together).

However, if you are new to the village - or have thought about joining, please feel free to come along and see us at 7.00pm on the 2nd Tuesday of the month at Victoria Hall. Each month we have for example: tea or coffee, our ever-popular raffle, news from W.I. Head Quarters, plus an enjoyable and informative speaker. We would love to see you and tell you more.

Jenny Jacob.

Bourton & District U3A

All members should have received the Summer Newsletter by now and will have read about two vacancies! We are urgently looking for a volunteer to help, and occasionally stand in for, our equipment officer once a month on 4th Wednesday morning setting up sound and vision equipment at the British Legion Hall. If you can help please get in touch. The two skittles groups are seeking a "sticker upper". A young person, maybe a member's grandchild, who would be available on the 2nd and or 4th Mondays in Moreton from 7-9pm to put up the skittles. Parental permission would be needed. The young person would receive £1 from each player and they would normally be able to join in. If any members have a young friend or relative who might be able to help please get in touch. Tickets are still available for members to attend "The Full Monty" at The Everyman Theatre Cheltenham on 13th September, matinee production. If you are interested please get in touch promptly. The U3A is a group for retired or semi retired people. We offer over 40 different interest groups. See our website for a full list. It does not matter about your background, beliefs or marital status. We welcome men and women who are in their "third age", i.e. the time after full time work and or child raising. There is no lower or upper age limit! If you are new to the area, newly alone or newly retired it is an excellent way of keeping yourself physically, mentally and socially active. We have something for everyone, couples and singles. Why not come along to our next meeting and find out more? Or visit our website www.u3asites.org.uk/bourton, or contact me.

Message from the Church

Don't Panic

To those of us of a certain vintage, this title is very evocative. Avid readers of "The Hitchhiker's Guide to the Galaxy" will instantly remember that this was what the cover of the book had emblazoned across it, it was alleged in the book itself that this was one of the reasons why it sold so well! We live in changing times; the recent Brexit talks have caused much discussion amongst many people. The range of responses to the result has been immense: from euphoria through pleasure to depression and even shame! I am not going to either agree with or disagree with the result (at least not in print) that is not my place. I would, however, encourage all of us to take a deep breath and take the advice of the aforementioned book. The words of Jesus as recorded in Matthew 6: 34 are very helpful at this time I feel; He said this, "Therefore

do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own." In the same passage He also encourages us that nobody can add even one hour to their life by worrying, indeed modern research has shown we are much more likely to shorten our lives with worry.

Jesus also gave us a positive alternative to worry; He told His followers, "But seek first his kingdom and his righteousness, and all these things will be given to you as well." In other words, as we focus on God, the one who gave Himself to restore a relationship with us, then all the things of this world take on their proper perspective. I would encourage us all to look for God in the storm of life, as we do so we will gain strength and insight to know how to go forward at this challenging time.

Ian Fowler—Baptist Minister

For The Younger Generation

Hello Young Bourtonians,

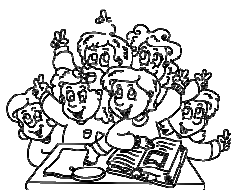

Well summer is well and truly here and we have had some fantastic weather. The exams are behind you and the long summer break has only just begun. There is a lot going on in and around the village at this time of year. Check out the 'Out and About' list on page 4 or why not try something new and join a group over on page 9? Whatever you do stay safe and have fun.

Have an Awsome August

Christine Sub Editor

News from Bourton Primary School

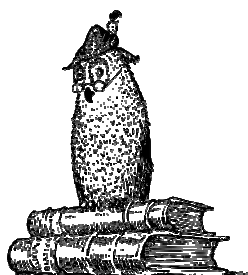

The end of term, as every year, was a busy affair with Sports day, Year 6 fete, Year 6 Musical production, class swaps and final assessments. Despite limiting the Sports day because of the weather and hosting an Ofsted inspection of the pre-school, I must congratulate everybody on a lovely day. It really is fantastic to see the community come together on such occasions. These final weeks, with the unusual but beautiful weather, saw everybody managing to keep cool and focused.

Those who know the school will be aware that we are in the process of modernising the premises. Phase 1 - The New Hall was open for use and Phase 2 - the building of a new entrance is now underway. This has caused disruption but again I am so proud to report how sensibly the children have coped. We shall be having an official opening of the Hall and Entrance on Thursday September 20th and we welcome everybody from the community to come and have a look around.

Recently I had the opportunity to thank the Moore Friends at their AGM for their support for our Mental Health work. This extra funding is key to meeting the more and more complex challenges faced by children. Our work has been widely praised across the Local Authority and we hope to be awarded Mental Health Champions status shortly - in fact as I write.

With September, just around the corner, the new academic year beckons and with it some hopes for the future. We hope for more clarity on funding, linking a fixed amount of money to a child rather than all the special supplements for small schools and deprivation based on an area's output data. We hope to begin the process of becoming a Multi Academy Trust and are now actively seeking partners. Finally we hope to further develop our community, to find safe places for children and youths to gather, and fully support the local initiatives in this matter .

John R Jones
Head Teacher

News from The Cotswold School

It was a delight to welcome so many parents and children to the Year 5 Open Morning back in June. Don't worry if you missed it as the main School Open Day will take place on 3rd October with both morning and evening tours.

The end of term was action-packed. Thank you to the whole community, who volunteered, took part and donated to the first Sharon Laws Sportive. We are ever so grateful to Joy Laws for her support to us, and she spoke so well before she unveiled the plaque as a lasting tribute to her daughter. Well over £4,000 was raised on the day, and these monies have been divided between Joy's Cervical Cancer Trust and The Cotswold School new pavilion. An incredible 193 cyclists took part, many riding the 43-miles to mark each year of Sharon's remarkable life. We will be holding the event again on Saturday 6th July 2019!

We were 'wowed' by the incredible talents of our art, textile, design & technology students at the recent Showtime as well as the fantastic voices and performances at the Showcase - with acts from the upcoming Mary Poppins which will take place on 6th 7th 8th November. Tickets will be available from mid-September as well as music from the group that is touring Norway.

At the end of the term, the under 15s and 13s cricket teams both became district champions, both beating Pates in their finals! The Year 7 and Year 5 rounders teams made it through to their finals too!

A helicopter landed safely on the Fosse field flown by a former student who came to speak to students on a career in the aviation field and with this

in mind, our annual Careers Fayre will take place on 17th October 2018 - if you wish to impart your knowledge on your career, please do get in touch

Marketing@thecotswoldschool.co.uk.

We welcomed Ace the Gladiator to a Year 7 and Year 8 assembly where he inspired many of the children, talking about his life and journey to Christianity. A workshop and performance of Shakespeare's Much Ado About Nothing took place on The Avenue field, courtesy of the beautiful weather and we welcomed Primary 5 classes from the feeder schools to a morning of STEM led by the science department - slime to bath bombs were all in order! Students from China spent a week in School and went on day trips with their fellow Cotswold School buddies, and finally, our end of term enrichment programme took place - a three-day schedule of subject activities and tours to enhance and underpin students' learning over the last year as well as having fun! These included a sponsored walk for Year 7, a science trip for Year 8

Prestigious Award for Home-Start Cotswolds!

On 2nd June, everyone associated with Home-Start Cotswolds was de-

lighted to hear that they have gained the Queen's Award for Voluntary Service 2018 in recognition of their work with families in challenging circumstances.

Hilary Morris, a founder Trustee, and Fiona Beck, a volunteer for the last 10 years, were pleased to represent Home-Start Cotswolds at a Buckingham Palace Garden Party on Thursday 31st May. The award will be officially presented to the Charity by Dame Janet Trotter, Lord Lieutenant of Gloucestershire, in

September when she will meet volunteers, staff and trustees. Home-Start Cotswolds provides weekly parent-to-parent support in the home for families with children under five. For further information about Home-Start Cotswolds, please see our website:

www.home-start-cotswolds.org.uk

Cotswold Friends

Cotswold Friends Community Transport Service provides transport for older and vulnerable people across the North Cotswolds, for medical and social appointments. Demand for our service has been growing rapidly and we now have an urgent requirement for new volunteer drivers in the Bourton area. Being a volunteer driver is very flexible and rewarding, so if you could spare an hour or two a week then this role could be for you. Please do call Sheryl Murray on Tel: 01608 697007 or email: sheryl@cotswoldfriends.org. We look forward to hearing from you.

Bourton Vale Horticultural Society your friendly garden club

11th July 2018: All Day Trip

Next month: 8th August: Evening Outing

Village Show 25th August 2018

The visit to Lower Hope Farm was a huge success. The weather was, of course, perfect, and the garden unbelievably beautiful. Big, big borders in full colour; bronze sculptures of people - children playing, swimming, swinging, and reading under the trees; big ponds with waterlilies; wild flower meadow round the lake, and lawns like green velvet. So sorry if you missed it.

But we have organised a members' evening visit to North Cerney House garden (GL7 7BX) on 8th August. This is to fill the rather big gap between July and the end of August. Make your own way there for 6.00 pm. But let me (824141) know if you are going so we can give the organisers an idea of numbers, or if you need a lift.

And, on towards the Show. I hope you have all picked up a schedule or downloaded it from the Browser website, and are now planning your entries. And when the time comes if you find you have a huge surplus of produce and plants, we would be so grateful for contributions for the plant stall.

You will be fascinated to learn that my efforts to defeat the blackbird have worked, but almost didn't. The curtain wire holding down the netting was great. But the very first time I lifted it all up to start picking the red currants, the blackbird flew straight in with a squawk of glee. Fortunately for me, he already had a beakful of caterpillars, so had to come out to deliver them to his babes. By the time he had done that, I was finished and had closed the net down. Ha!

The Rotary Club of the North Cotswolds

CLUB PRESIDENT HANDOVER MEETING – Tuesday 26th June: Club members and partners were present when Peter Boxall handed over the presidency of the club for 2018 / 2019 to Ed Alexander. Ed thanked Peter for all he had done to ensure the success of the Club during his year of office and presented him with a Commemorative Rotary Plate.

CLUB AWARDS and HONOURS – President Peter presented Steve Whincup with a Paul Harris Fellowship and thanked him for his many years of excellent service as Club Secretary. Also, congratulations to Keith Jacob on receipt of a very well-deserved Paul Harris Fellowship award for his outstanding efforts on behalf of North Cotswolds Rotary Club.

MILL DENE OPEN GARDENS – On Saturday 23rd June North Cotswolds Rotary Club, together with Chipping Campden Rotary Club, supported a fundraising Open Day at Mill Dene Gardens in aid of Kate's Home Nursing and Campden Home Nursing. A total of £700.00 was raised, to be shared by the two charities. Visitors were treated to musical entertainment by Bourton U3A Recorder Group, and also by the U3A Capella Choir. Our grateful thanks to Mrs Wendy Dare for giving us the use of her beautiful house and gardens for a most enjoyable and successful day.

STREET CHILDREN OF CAMBODIA – On 12th June club members heard from Stella Barnes about her continuing work with her charity 'Street Children of Cambodia', one of the club's chosen charities for the current year. Stella transformed a rubbish-filled hole in the ground into a Theatre for Children to stage shows. Her latest

Lions Stall at the annual Northleach Charter Fair

Northleach & Fosse Lions Club members are pictured behind their stall at the annual Northleach Charter Fair held on 30 June. As well as the 2 tombolas on offer, the club was also promoting its 100 Club, which was launched at the same event in 2014, with the view of raising funds for the Children's Play Area on the King George V Playing Field in Northleach. The Lions Club are about to donate £2000 in support of this initiative, having previously donated £750 to the same project. All future proceeds from the 100 Club will be used for local community projects. The next 'Lions Famous Coffee & Cakes' day, for the public will be at Victoria Hall, Bourton-on-the-Water on Tuesday 31st July. All proceeds will go to community and charitable causes. Winner of the '100 Club' draw for July with number 61 is Sonia Brockett. Local residents of the North Cotswolds area are encouraged to put forward ideas for community projects which might be supported by their Lions club, whether through community service or fundraising activity.

All are welcome to attend the club's regular meetings, which are held at the Cotswold Hall in West End, Northleach on the second Tuesday of each month. The next meeting will be on Tuesday 14th Aug at 8pm.

Corina Sherman

BOURTON PANTO GROUP

The Bourton Panto Group actors and crew have now left the jungle. They leave behind them a legacy of peace and harmony among the jungle animals and the echoes of musical harmony among the audience. Our junior members worked exceptionally hard and gave excellent performances throughout the show as did all the members of the cast. With the support of the crew and the front of house staff another amazing show was performed. The artists are now resting their voices and trying to get the lines out of their heads so that they can get ready for the next show.

Rehearsals will resume in September with the reading of a new script ready for our much awaited panto. And what will it be this time?? You'll have to wait and see. Oh yes you will!!

We are always looking for new members, new ideas, new voices, new faces. Could that be you? If you would like to see if it is for you why not contact Jan Close on the number below and have a chat. When we resume rehearsals in September we will meet at Victoria Hall twice a week so come along and see what goes on. The dates will be published here next month so don't miss them. You can find out more information from our Facebook page, why not follow us?

You can also become a Patron of the Panto Group. The support that we get from our Patrons helps us to continue to put on our colourful productions and among the many benefits of being a Patron you will be invited to join the cast and crew on social occasions. You can find out more information by contacting Jan Close on 07976 390020.

Heat Wave and How To Help NATURE

As most readers will know, it's been weeks and weeks now that we've had hot, sunny weather and while this is great for many, the lack of any rain since the end of May means it's getting tougher and tougher for anyone who has a garden, our farmers (who need to feed their livestock and need rain for their crop to grow) as well as for many older people or asthma sufferers. We are not alone in struggling when it comes to the lack of rainfall, as our wildlife (birds, small mammals - like hedgehogs, reptiles and even insects and the dreaded garden slugs) is also finding it tough. However, there is something simple and almost cost-free that we can do to help. By putting out shallow dishes of water in our gardens in reasonably open positions (so the cats can't stalk the birds) we can help all sorts of wildlife to get the water they need to drink or take a quick bath (the birds)! A disused plant saucer of medium size is a good option or, a plastic container that isn't more than a few inches deep. You can also put in a small rock or stone or other solid item to help weigh the dish down and also to help any smaller visitors to perch on - this is especially important for small birds, insects and hedgehogs as they can easily drown without a means to get in/out of water containers (or ponds). With a bit of patience, your efforts and kindness will be well rewarded when the birds or other animals stop by to have a much-needed drink! Photo shows an example of an old plant saucer being put to good use with the feet from pot stands as perches. **Di Wheatley**

Moore Friends

The AGM was held on one of those hot summer days in June.. What a summer - so far! Those attending heard three good speakers. Karen Hilliard who is the tutor for the ArtLift Project, which we support, brought examples of the work completed by those who are referred by their GPs. It is amazing what they do - pottery, painting and mosaics etc. Karen said that she gets so much from seeing people develop their creative side of the brain. We don't use this enough! Over 40 people benefit from this excellent class and feel hugely better for it. The second speaker was the Headmaster from the Primary school who said that 15 families have benefited from the community nurse support funded by the Friends. Pupils have been attending school more regularly and have made strides in achieving targets before senior school. Parents have appreciated the help - it is not easy bringing kids up these days. The third person who spoke talked about the Outreach service which we fund alongside the current Youth Club. They go out to talk with teenagers about what they would like available to them in the vicinity. We do feel we can do more for this age group - perhaps a late bus from Cheltenham and their own space somewhere in the village. But we need to hear and listen to them. NHS Reunion—Finally, some of the Trustees attended the event at Moreton Hospital. Over 80 people - many retired members of staff - came together and talked about 'old times'. I met a number of Bourton Hospital staff I hadn't seen for a while and it was good to see a number of doctors - including Dr Carter. It is 30 years since I came to manage our hospital and we had a lot of good times then. There was the village fete and we always put in a display on one of Hacklings floats. Perhaps it is time to try this again in order to bring the village together. Let us always remember Bourton was created before Moreton and had more beds! We shall always be proud of our Hospital. I hope to work with the History Society to update the Booklet.

Bill Wragge Trustee

Batsford
ARBORETUM & GARDEN CENTRE

Batsford Arboretum and Garden Centre - naturally beautiful all year round.

Enjoy magical walks beneath the beautiful tree canopy at Batsford Arboretum. Browse our fantastic range of plants, gardening supplies and gifts and soak up the sun on the deck of the Garden Terrace Café. A perfect day out for all the family - dog friendly too!

MORETON BOWLS CLUB

What fantastic weather we have had so far this summer, although the green at Moreton is a bit of a challenge for Mike, the green keeper! Keeping the green "green" is a real headache when the sun shines as brilliantly as this. However, the season's matches are playing out well and our teams are enjoying being out and about as well as playing at home. Monday Club Nights continue to prove popular with members wishing to either socialise or practise their bowling outside alongside the newcomers. Several potential members are being coached and encouraged on Monday evenings at the club and, hopefully, will soon feel able to add their names to the match lists. There is always room for enthusiastic bowlers to join us!

Our members will be in Bourton-on-the-Water on **Saturday 4th August**, not bowling but inviting everyone to join in the fun of duck racing! It's our Fete Day at The Victoria Hall, so there is also the opportunity to take a chance on our fine Tombola and browse the Bric-a-Brac stall too. Come along and enjoy an afternoon of bowling at Moreton on **Saturday 18th August**. A whole host of teams from across the country join us again for a day of friendly competition and our doors are open for anyone to come along and watch. There will be refreshments on offer and a grand raffle too.

We would be delighted to see you at both of these events!

Ann Chapman

There will be no Police Point Openings in August at George Moore Community Centre

Could you share your life and help change someone else's?

Throughout Gloucestershire, many adults are looking for assistance to enable them to live their life in a way that supports their needs and enables new experiences. It might be that a person who has just come out of hospital needs extra care in a home environment before returning home. Alternatively, it could be that someone living with dementia may benefit from a respite break in a family home as opposed to residential care. People with assessed needs may also include people with disabilities and/or long-term health conditions.

Gloucester Shared Lives Scheme offers an alternative to traditional social care options. It is flexible and offers support within a family home for a few days, a few weeks or on a long-term basis. **We are currently looking to recruit Shared Lives Carers within the Cotswold region who can help us develop the service and enable many more people to access wider choice in their care options.**

Being a Shared Lives Carer can be very rewarding. Enabling people with assessed needs to access communities and fully live their lives from a safe and caring base can make an exceptional difference to an individual's life. You may also be supporting another family to have a break themselves knowing their loved ones are safe and in a suitable and caring environment.

If you think you may like to be involved and have space within your home, then we would love to hear from you. You will be supported by specialist staff throughout the application process and on an on-going basis once approved. Shared Lives Carers are self-employed and will be paid a fee for the support they provide.

If you would like to discuss in more detail and/or require further information. Please contact **Teri Walker Shared Lives Officer Cotswold Region 01452 426237** or e-mail teri.walker@gloucestershire.gov.uk
