## Parish Council Notes

### Parish Council Notes – Council Meeting 3<sup>rd</sup> July 2019

**Councillor appointments:** The Council is pleased to advise that Kathleen Cronin and Stephen Senior were co-opted onto the Council to fill the remaining vacancies. Both Kathleen and Stephen are welcomed on board, and are thanked for coming forward to help progress the various projects and day to day running of Council's business.

**Traffic Regulation Order:** Gloucestershire County Council is proposing to introduce new and revised parking restrictions on sections of various roads within Bourton-on-the-Water with the aim of improving safety for motorists, cyclists and pedestrians, maintaining traffic flow and providing more suitable parking arrangements where appropriate. Proposal plans were presented at public exhibitions in March, with the opportunity for people to make comments. Having considered all the comments received some revisions are now being made to the proposals. These revised proposals will be advertised in due course via notices on-site in affected roads and via adverts in the local newspaper, with the revised proposal plans being viewable at Bourton-on-the-Water Library and at Shire Hall in Gloucester and online at [www.gloucestershire.gov.uk/highways/traffic-regulationorders-tro-and-traffic-schemes](http://www.gloucestershire.gov.uk/highways/traffic-regulationorders-tro-and-traffic-schemes)

**Enforcement:** The police have scheduled additional patrols here during the summer months. In addition, the Council has requested additional hours with parking enforcement in the village. The Council also plans to put in place temporary signage in the village centre so that enforcement of the updated byelaws can be carried out.

**Funstival Event:** The Funstival Event has been arranged for 21<sup>st</sup> September 2019 at the Leisure Centre, Cotswold School Hall and the car park area. This is a FREE community event with lots of activities for all ages which will showcase what's on offer locally.

**Library:** Gloucestershire County Council has agreed to purchase a hybrid-vehicle to deliver preselected books, via community pick up and drop off points, to people who are unable to access library services. This step is being taken as the existing mobile library has reached the end of its serviceable life.

**Allotments:** The allotments will be entered into the Moreton Show competition again this year and we wish our allotment holders all the best, particularly with this year's challenging growing conditions.

**Next Parish Council Meeting:** Wednesday 4th September 2019 at 7.00pm  
in The George Moore Community Centre. Tel: 01451 820712

## Wing-Walk for Kate's Home Nursing

I have been on the fund raising committee for Kate's Home Nursing for 6 years. Having done a lot of different fund raising activities in the past I have been looking for something different and I think I have found it in a wing-walk. I will be flying at Rencombe Airfield on the 21<sup>st</sup> September 2019.

It would be great if you would like to sponsor me for this local charity. You can donate on line at

[Uk.virginmoneygiving.com/lyndahicks](http://Uk.virginmoneygiving.com/lyndahicks)

Or if you're on facebook message me for the link Lynda Hicks-Collett.

For those who don't know Kate's Home Nursing provide expert 'hospice at home' care for people in the last stage of illness who wish to die at home. They also provide much needed respite for the patients family or career. Both my mother and brother were nursed by these wonderful nurses.

Many Thanks

Lynda Hicks

## Friday Club.

Our July meeting was very well attended. The Friday Club continues to thrive and the members look forward to meeting up with their friends. The guest speaker was Mr Alan Pilbeam. He spoke about Henry 8<sup>th</sup> and Anne Bolyn. In 1535 Henry visited Gloucester and toured the surrounding villages including Berkley Castle, Thornbury Castle, Acton Court and Little Sodbury Manor. Shortly after his visit he started the dissolution of the monasteries and it was thought that the purpose of his visit was to assess the value he would gain.

Also in July we had our outing on the 16<sup>th</sup> with a visit to Stratford-upon-Avon where we boarded a boat for trip down the river with afternoon tea. There is no meeting in August and our next meeting is on 6<sup>th</sup> September.

### Annual Village Show on Saturday August 24<sup>th</sup>

In July our arranged guest had to cancel and very happily Clare Henderson from the Gloucestershire Wildlife Trust came along, entertaining us with insights into the Trusts work throughout Gloucestershire and at the Jewel in the Crown – Greystones. Clare emphasised the need to create green corridors of Nature Reserves for wildlife to travel along, as housing, roads and industry block and destroy habitats, breeding and foraging areas. We can help wildlife in our own gardens too, Hedgehogs have sadly declined a whopping 97% since the 50's, if you are lucky enough to have one visit, a hole in the bottom of fences allows them to travel between neighbouring gardens. Visiting wildlife needs shelter, a place to rear young and find food to survive – An adult Blue Tit needs to find 1,000 caterpillars every day to raise a brood of 10.

Growing your own? You will need an insect to transfer pollen. Its not just Bees - Moths, Butterflies, Beetles, Wasps and Flies are all pollinators and produce larvae or caterpillars for birds. Trees and shrubs become places for creatures to make home and shelter, "weeds" could become pollen and nectar rich wildflowers that we are nurturing instead of removing. Seed heads for winter food, ponds for thirsty visitors or pond dwellers and snails are keepers! The joyful sound of a now rare Song Thrush bashing a snail shell is worth the odd nibble. Encouraging wildlife to our gardens has benefits for us too, as watching insects and birds is good for the soul.

Clare Higginbottom won our monthly competition with 3 beautiful Specimen Roses.

Happy Wildlife Gardening!

Julie Huckle

## For The Younger Generation

Hello Young Bourtonians,

Summer has arrived and outside events are happening all over our village and surrounding area. Why not try the Knight School at Sudeley Castle, Adam Henson's Maize Maze or Summer Fun at Birdland. If it rains why not pop into the library and pick up a good book?

Have an Amazing August and a Super Summer.

**THE COTSWOLD SCHOOL**

The pursuit of academic excellence and individual achievement within a caring community

Celebrating 30 years of outstanding teaching and learning

**By Will Morgan, Principal**

We hope you are all enjoying the summertime! Our thoughts turn to those students awaiting their results in a few weeks' time. We will be on hand to support and guide all students as they move onto the next stage in their lives. I believe wholeheartedly that individual achievement can only be achieved through hard work and excellent teaching staff, all supported with high-quality pastoral care.

Come and find out for yourself! Our Main School Open Day takes place on Wednesday 2nd October. Tours of the School will run from 9.00 am to 1.00 pm. The evening event runs from 6.00 pm to 8.30 pm. There is a chance to delve into each department, meet the Heads of Departments and discover even more about the School! Tours finish just before 8.00 pm as the evening rounds off with a presentation in the School Hall. We look forward to welcoming you to this Ofsted Outstanding School.

In the meantime, two trips have returned and if you need a bit more inspiration on what to do this summer then how about Paris or Aberystwyth?

Students from Year 7 and Year 8 spent a memorable long weekend in Paris, as well as visiting the historic city of Arras and the beautiful Château de Versailles and its gardens. Sight-seeing included eating lunch by the Eiffel Tower, taking a boat tour on the River Seine, climbing the 284 steps of the Arc de Triomphe and seeing all of these again from 210 metres up the Montparnasse Tower!

Year 12 Geography fieldwork trip visited Aberystwyth in west Wales. En route, they visited Gloucester to study the area's regeneration, then onto the Elan Valley Dams, followed by studying the course of the River Clarach. The final study was time spent looking at beach profiles and the impact of local coastal management between Borth and the spit at Ynys Las.

### Bourton Vale Tennis Club

What a day of tennis and sport on Sunday 14<sup>th</sup> July. No doubt this day will go down in history as the day of Bourton Vale Lawn Tennis Club's

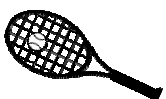

2019 Junior Club Championship. We didn't quite have the crowds of Wimbledon, Lords, or Silverstone, but nonetheless, the level of sportsmanship and quality of play were second to none. Well done to all the juniors who played, and in such good spirit. Congratulations go to William Souch for winning all 6 matches and becoming this year's Junior Club Champ!

Scarlett Blundell-Palethorpe, Oscar Dzendrowski, William Souch, Jessica Peyton, William Bell, Oscar Blundell-Palethorpe, Jack Roberts

Junior Club Nights have been really well attended. It's good to see so many children taking advantage of the wonderful courts we have here in Bourton. Incredible to think that children can effectively play tennis everyday of the year for an annual membership fee of just £20! The school summer holidays are nearly upon us so junior club nights will be suspended until the new school term in September. Junior members are of course welcome to use the courts during the summer when available.

Bourton Tennis Club welcomes new members, both junior and adult, at any time. If you've played before and want to get back into tennis, or you are a complete novice, or simply want to get your children involved, please get in touch, we'd love to hear from you! Please visit our website at [www.bourtontennisclub.org](http://www.bourtontennisclub.org) for more information.

See you on  
court!

### Cotswold North Rainbows

July saw some of the Rainbows from the Division join Rainbows from all over Gloucestershire at County Badge Day at Deer Park, Cowley.

There were 3 badges on offer during the morning session - Drawing, Family Tree and Nature. During the afternoon a

lot of fun was had just across the road on Bubbs Hill where they all tried Grass sledging, Tunnelling, Archery, Giant Bubble blowing, a Stamp Trail and some Parachute games - Cotswold North Rainbows started a trend of rolling down the big hill!

Various fun things have been happening within our Division Units, from Random Acts of Kindness, a visit to Batsford Arboretum to complete their British Tree Badge, to taking part in many Skills Builder Activities.

Moreton-in-Marsh Rainbows have been invited to visit their Fire Station during the holidays to learn about Fire Safety.

Gloucestershire Girlguiding will be having a promotional stand at Moreton Show on September 7<sup>th</sup>, so if you are there please come and find us in the family area and find out how to join us or become a volunteer.

### What is a youth club and why are they so important?

A comment on a youth club Facebook post got me thinking about what is a youth club all about. You see to me, (a youth worker and youth work manager for a Gloucestershire based CiC), I believe youth clubs are vitally important to young people and their communities. However to this parent they seem to be all about keeping young people out of sight, and off the village green. I had also, in the same week, had a conversation with a parish clerk for a council who commissions CMAS to run youth clubs, she was amazed at the sorts of

informal education going on in the youth club as she had thought youth clubs were 'just a place for young people to socialise'.

Allow me to share why I believe youth clubs are so vitally important. Firstly, they are places for young people to find belonging. This has been proven as a protective factor against mental health problems and likelihood to commit crime and ASB. Secondly, they are places for informal education, no topic is off limits and if we can't answer a young person's questions we probably know someone or somewhere we can signpost for answers. Finally, they are a place where young people can come and find a safe stable adult relationship which is vital for overcoming the poor outcomes associated with adversity in childhood. Sadly, some children will not find this at home, or at school which is why the chance to find this at a local youth club is so important.

Summer Reading Challenge 2019

[spacechase.org.uk](http://spacechase.org.uk)

Our local library staff have been telling the children how to take part in **Space Chase**, the Summer Reading Challenge 2019.

All they have to do is read six library books and visit the library regularly over the summer, collecting special incentives along the way.

Please encourage your children to visit the library and sign up to see the difference the Summer Reading Challenge makes to their reading skills and confidence.

We will be celebrating all children who take part at the beginning of the new school year.

## Nature Quiz

With the summer holidays now in full swing and with lots of creatures to see around the village, why not test your family or friends on their nature knowledge? Maybe you'll find you have another David Attenborough in the making!

1/ What type of shy, quite rare native snake has been found living in the village this year?

2/ Which birds that visit us in summer from Africa have 'screeching' parties above the village every evening before they go back to their nests?

3/ How many different types of bat live in the UK?

4/ And which is one of the biggest bats that you can sometimes see at night-time catching insects here in the village (a clue, it has something to do with a horses' feet!).

5/ Which beautiful butterfly has the same name as a large, colourful bird?

6/ Which mammal likes to eat fish and usually lives along the river?

7/ What is the name of the medium sized, brown fish you can usually see in the streams and rivers in and around the local villages?

8/ What two types of geese can you usually see on the lakes in the village

during the summer?

9/ What do you call the type of small deer that lives in the fields around the village?

10/ On a fine day, which two large birds of prey might you be lucky to see flying high and soaring over the local fields?

**Answers:** Bottom of next column

## Helping Nature

With the dry and warmer months here again, wildlife can have a tough time finding enough water to drink from as the puddles or water in ditches and streams they usually rely on either dry up or are harder to find.

Why not help them out by putting out a shallow dish of water and keeping it topped up every day?

An easy option is to use a plant pot saucer – either plastic or ceramic are just fine. Depending on how deep the saucer is, consider putting a stone in the middle so that smaller birds and mammals such as hedgehogs, have something to help them get in and out of the dish.

Then, choose a place that's in the open so that any visitors can't be easily ambushed by predators (or cats).

If you live near the edge of the village, you might be surprised to see the wide variety of creatures that come to take a drink – or even have a bath! Birds, foxes, badger, deer, hedgehogs and insects may all stop by.

Don't forget to top it up with fresh water every day and do give it a good rinse at least once a week to make sure it's clean and won't spread any nasty bugs to the creatures who come to visit.

### Bourton Roadrunners raises £4k for Pancreatic Cancer UK

This year's Bourton Roadrunners Highbridge Jewellers 10k race raised a total of £4,325.00 to support Pancreatic Cancer UK. The total amount includes individual donations totalling £1,500 made by runners when they entered the race in December. More than 700 runners entered the race, which sold out in a record 27 minutes.

Ian Shoemark, Bourton 10k race director, chose to support Pancreatic Cancer UK this year as the Shoemark family was affected after Chris Stock, father of Conor's girlfriend Abi, died last year from the disease.

Bourton 10k race director, Ian Shoemark, said: "We are overwhelmed by the generosity of runners taking part in our 10k. Their personal donations together with our contribution has helped us to make our largest charity donation ever for a cause that's close to our hearts."

Pancreatic cancer can be hard to diagnose early due to its lack of symptoms. Survival rates in the UK have not changed in the last 40 years - and less than one per cent of patients survive it for a decade or more.

### Bourton Hilly Half + 10K – 16<sup>th</sup> June

New for 2019, Bourton Roadrunners revamped its old half marathon route, but still included the classic 'Steeps' climb out of Bourton towards Clapton on the Hill. There was also the addition of a hilly 10k, which followed the same route for one lap, with both races finishing at Bourton Vale Cricket Club.

Whilst there was heavy rain at the start of the race, the runners were rewarded with sunshine part way through. Neither the conditions nor the hilly terrain appeared to put the runners off, with some exiting performances in both races, which started together.

The race winner of the Hilly Half was David Bell of Cirencester AC, in a superb time of 1:14:34. Shona Crombie-Hicks of Tewkesbury RC was the half marathon's winning lady in a time of 1:30:13.

Callum Roberts, an unattached runner, won the Hilly 10K (36:47) and Donna Allen of Hook Norton Harriers was the first lady in the 10K (43:25). Donna was 7th overall in the 10K.

Most of Bourton Roadrunners' members were engaged in organising and support duties; however, a few were brave enough to take-on the race. David Turnbull maintaining his push in the County MV65 category completed the half marathon in 1:56:38, despite have celebrated his 70<sup>th</sup> birthday during the week. Next to finish was Gillian Carrick (2:07:00) followed by race sweeper-runner Liz Hulcup (2:37:46).

In the Hilly 10k race Bourton was represented by Jake Astor, 1<sup>st</sup> MU20, in a superb time of 45:38 and 10<sup>th</sup> overall in the race. Next to finish was Jake's father Henry (48:36), 2<sup>nd</sup> MV50. Alan Gibson completed the Bourton trio (49:51), who won the men's team prize.

## BOURTON PANTO GROUP

Summer has arrived at last and on the 18<sup>th</sup> August Bourton Panto Group are holding their summer fete. 'Just another fete' you're thinking...no, this is an opportunity. Have a good browse around the stalls and the rest of your year could be sorted. The bric-a-brac stall, that green pair of socks you saw at the last fete, no one wants lime green socks they'll still be there - except Uncle Fred he loves lime green they'll go with his yellow trousers, perfect for his Christmas present. The pot stall, a lovely vase for Aunt Maud, a pretty scarf for mum, a book on beer making for dad. The nearly new drum kit for the kids...hmm..maybe not, a nice quiet puzzle, that's perfect for them. Now for you, feet up with a good book from the book stall and a bottle of wine from the tombola and relax you've got Christmas in the bag. Now for the rest of the year what are you going to do with all that free time? What about a new hobby? Paint scenery, make costumes, on stage even... go on, you know you want to. Join the Panto group.

The read through for Mother Goose, will be on 3rd September, 7.30pm at Victoria Hall. Why don't you come along? You don't have to sing or dance, it would be great if you can but there's plenty of opportunity to help out back stage. You can talk to Jan Close about joining, ring her on 01451 831911 or visit our Facebook page where you can send us a message.

You can also support the group by becoming a Patron. Contact Angela Layton on 01451 821344 who will be happy to let you know all the benefits of being a Patron.

### Recycling Prescription Bags

I'm not sure if anyone has started to do this but our local pharmacy uses thousands of plastic bags for our prescriptions. I have spoken to them and they willingly will recycle these if we take them back or transfer them to our own bags whilst there. The one thing we NEED to do though is remove the label on the outside of the bag with our name and address on, so no one gets the wrong prescription.

### Learn, Laugh & Live!

Our open day at Fosseyway Garden Centre on 19<sup>th</sup> June went very well. Seven new members signed up there and then many more membership forms were taken away. Our thanks go to the garden centre for allowing us a stall free of charge. We also held

a New Members' Coffee Morning at the garden centre which went very well. Our membership now stands at just under 400.

The strolling (short walks), Solo and Storytelling groups are all now under way and other ideas are being considered including a Painting on Pottery Group, a Greeting Card Making Group, and a Recording your Family History Group. We have arranged another meeting of the Travel Group from 10.30am-12.30pm on 29<sup>th</sup> July at the George Moore Community Centre. Any interested members, please do come along. We will need a volunteer to come forward to act as Group Organiser. The GO acts purely a point of contact. The actual trips out and about would be organised by different members in turn. This is the ethos of the U3A, we are a self help group, completely run by volunteers, where everybody contributes.

Most of our groups do continue to meet during the summer and we remind members to let their Group Organisers know if they will be not be attending as numbers do affect the viability and organisation of meetings and activities.

If you are retired or semi retired do come to our next monthly meeting, see page 2 for details, or visit our website where you can find out about our 40+ different Interest Groups.

We welcome men and women, couples and singles. We cover Moreton-in-Marsh, Stow on the Wold, Bourton-on-the-Water and all the smaller villages in between.

We are non-political and non-religious.

If you are new to the area, newly retired or newly alone it is a great way to make friends and get involved with the community.

### Cotswold Fosseway Lions

There was a good turnout of attendees for the Defibrillator Orientation evening that was held at the Westwoods centre in June. The good acting of the presenters gave a good oversight of the symptoms of a heart attack and the immediate actions to take and I hope that everyone came away feeling much more confident should the need ever arise to use one of the towns' defibrillators.

The beginning of July is the start of the new Lions year and planning for future community and fundraising events have already begun. The club will continue its fortnightly run to the North Cotswold Foodbank at Guiting Power.

We are again working with the Town Council to arrange another litter pick after the last planned one was cancelled due to Storm Hannah. We are looking at around the middle part of September, just as the summer ends and we move into autumn, but we will keep the town informed.

Another Quiz Night is also being considered, around early October to be held in the Cotswold Hall, further details will be released when the event is confirmed.

Unfortunately, we have had to cancel our Coffee and Cake sales at the Victoria Hall in Bourton-on-the-Water for the remainder of this year due to resources, but we will be doing the Bridge of Coins on Sat 17<sup>th</sup> August, where we encourage visitors to create a line of coins along the bridge over the River Windrush nearest the Victoria Hall.

The club is always looking out for new members and our next meeting will be on Tue 13<sup>th</sup> August in the Cotswold Hall starting at 8pm. If you wish to know more about what we do, come and join us for a coffee before our meeting begins, from 7.40pm and you will receive a warm welcome. We look forward to meeting you.

### Bourton-on-the-Water

### Women's Institute

The talk at our June meeting was about honour crimes, something we may read about in the newspapers but which mainly seem to occur in countries overseas and not here in Britain, but in this we would be mistaken. There are many different forms of honour crime including forced and underage marriage (although in this country there is now a law which was passed in 2016 to prevent forced marriage), bigamy, female infanticide, human trafficking and accusations of witchcraft, and many of these could be occurring in this country although we are not aware of them. All of these are intended to completely control and dominate women in order to preserve the reputation of the male members of their family as a man's honour and reputation is mostly connected with the behaviour of the female members of their extended family. In some cases women may be physically abused and this can even lead to dreadful crimes such as acid attacks and even murder.

It was a very sobering thought to realise that this may be happening here in the UK although we should remember that it is not all that long ago that a woman was regarded as the property of her husband and in the marriage service were the words 'to love, honour and obey'.

On a happier note our next meeting is a garden party for members only and then on the 10<sup>th</sup> September we will be back at the Victoria Hall when we will learn about keeping fit with Paracise with Lesley Roberts, so why not join us.

### IRENE'S CHARITY KNITTING CIRCLE

At our meeting in July one of our members made a delicious cake for us as a treat to enjoy with our coffee/tea. Thank you very much Isabel.

Our ladies have been working very hard and have produced a large quantity of knitted and crocheted garments/blankets for Syria. We filled our car with these much needed items - consisting of blankets of varying sizes and clothing for all ages - and have delivered them to our distribution centre recently.

This month we will be providing special items of clothing for newborn babies and premature babies - beanie hats, mittens and matinee jackets together with suitable small toys - to the Great Western Hospital in Swindon.

We will also be delivering further supplies of Twiddlemuffs to local care homes.

Please come and join us on the second Wednesday morning of each month at the Community Centre Cafe in Moore Road,

between 10:00 - 12:00 noon, where we hold our 'Knit and Natter' meetings and enjoy Coffee/Tea and biscuits. Bring your Knitting with you and spend a pleasant time together with us.

After a further talk on the Cobalt Unit Cheltenham, we can look to a most enjoyable a summer lunch with ladies included. Would you like to join us? You can call our secretary Chris on 01451 820787 or come as a guest of one of our members. Hope to see you there! You will be very welcome!
