## Bourton Browser Team News

Welcome to the October Browser.

It's been a very strange year so far and our "Diary Dates" column still sadly reflects this.

Still a lot is going on behind the scenes in Bourton, groups and charities are operating as best they can, often via Zoom, and our schools and most businesses are open again.

So far we have been quite fortunate in this area with covid rates well below the national average. However to keep it that way we trust that **everyone**, residents and tourists, youngsters and more mature residents, will all stick by the new "Hands, Face, Space and "Rule of 6" government guidelines.

Let's all work together to keep everyone well this autumn.

We hope you enjoy all the news and articles.

Our Best Wishes

*The Bourton Browser Team*

This check is to make sure that they have a working smoke alarm installed or, if they require it, any assistance/guidance on safety measures in the house.

### Bourton Panto Group

We're now on our way to woolly hats and mulled wine (I avoided saying it) and usually rehearsals would be well underway by now for our next pantomime. Due to the Covid 19 pandemic and the current restrictions it will come as no surprise that the BPG Committee have sadly taken the decision to postpone our plans for our 40th anniversary pantomime in January 2021.

Our priority is the safety of our members and the audience, this means that rehearsals, set building and performances are not viable.

Although getting together is difficult at the moment the committee are in touch regularly planning and plotting. We feel that we cannot let our 40<sup>th</sup> year pass by without celebrating with you all so we have some plans which, with help from our members, will mean we can not only perform sometime in the new year when it's safe to do so, but we also have plans for other events so watch this space.

As you will know, we are a completely self funded organisation and, along with many others, we have lost all of our fundraising events this year. We have a dedicated group of Patrons who have continued to support us through the years and we would like to give special thanks to the Patrons who have donated extra funds to the group to ensure that we not only reach 40 years but continue for many more years after that.

It was with sadness we heard of the passing of one of our loyal Patrons, Brenda Aspinall. Brenda came and supported the group at every performance, she always came to the BPG social events and enjoyed spending time with the members. She will be missed by group members and all those who knew her.

### Bourton Men in Sheds

We had to cancel our Open Day back in March because of Covid 19 and we don't think we will be able to arrange another one this year. We have to make room for new items for the winter months so we have a number of items for sale which we need to sell. We offer sale items (stocks are limited) during the times that the Sheds are open, i.e Monday, Wednesday, Friday from 9.30 until 12.30 behind the British Legion. All welcome.

We have also large bags of kindling at £5 per bag and bags of off-cuts FREE to anyone who wants them. So don't delay and stock up for the winter months. A BARGAIN!

Our website has many other items that we can make, so check it out at [www.bourtonmeninsheds.weebly.com](http://www.bourtonmeninsheds.weebly.com)

Bourton Men in Sheds is supported as a Community Activity by local charity Cotswold Friends.

### A Surprise!

Thank you to whom it may concern. A great surprise to walk over the Conygers, to find the very long grass had been cut and the kissing gate mended with new posts and hinges.

It is more than a pleasure for the residents to have their own oasis of peace and quite so close to the overcrowding of The Green.

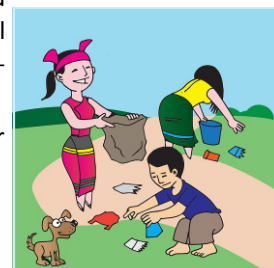

A number of our younger residents also meet up with their friends but we do wish they would take their empty cans home or find the waste bins in front of Harrington House; that would save my husband the job of clearing up at the end of the day.

Around 8pm a welcome sight! 6 young men stepped into Sherborne Street from the Conygers alleyway holding a number of cans and they put them into the bin by Harrington House. I congratulated them on being tidy and enquired if they were local. Not all were but they had attended the Cotswold School.

We are looking forward to the quieter months ahead.

### Tourism Action Group

After the issues relating to the proposed experimental pedestrianisation of the village centre and then the large influx of visitors this year, a number of residents and businesses approached me, asking whether I would set up a team to look at how we can deal with the challenges we face in the village. I said yes and have now set up a group as follows:

#### Aim:

- To understand better the issues facing the village regarding tourism and the volume of visitors.

#### Objectives:

- To come up with imaginative solutions to address these issues.
- To ensure that the opinions and ideas of Bourton residents and businesses are acknowledged and incorporated into practical solutions which will benefit the village.
- To ensure that tourists respect the life of the village and that they have a positive experience when they visit.

Are you interested in being part of this too? Do you have ideas on parking, traffic, how to manage the volume of tourists, how to protect and enhance the beauty of the village?

I'm keen to hear from you. We need people of all ages and from all parts of Bourton.

This won't be easy as there are some things out of our control but let's try very hard to make some positive changes! Please email me if you'd like to be involved.

### Health and safety risks in our village and the threat to health

I have recently written and sent a detailed and comprehensive letter to the Director of Public Health for Gloucestershire at Gloucestershire County Council. It includes photos of crowded Bourton (with no adherence to Covid regulations) traffic jams and rubbish and many other issues concerning the health and safety of the local community.

If you would like a copy to read, please send a request to this email address: [botw.ot@outlook.com](mailto:botw.ot@outlook.com) and I will be happy to send you one. All that is required is to write these words in the subject line: *Request for letter.*

### In response to the statement in the last edition, by 'Three concerned residents'

In response to the article last month by the three concerned residents, it would seem that the three mentioned believe that being "fully justified in bringing it our attention in the way we did" vindicates them as the end justified the means, however these "means" involved sending out misleading and inaccurate information prior to the proposal being published and as such could have surely clouded people's views prior to the final and different proposals being published.

The real loser here is not whether we did or did not have pedestrianisation

### In response to the statement in the last edition, by 'Three concerned residents'

Having read their statement in the Browser, and subsequently attended the zoom Council meeting on September 2<sup>nd</sup>, we would like to offer sincere thanks to them, on behalf of all the residents of our village who had not previously heard anything about the proposed 'pedestrianisation scheme' They spoke out and brought this scheme to everyone's notice thus giving us all the chance to vote on it and vote we did, defeating the proposal by a huge majority.

The fact that they were severely reprimanded by the Council, is totally wrong as was subsequently proved.

Clearly the people of our village should be consulted and involved in any such major decisions which would affect all our lives.

Thank you to 'Three Concerned Residents.'

## Message from the Church

I am writing this article on 14th September, when many Churches celebrate the Exaltation of the Holy Cross. On this day we recall three historical events: The finding of the True Cross by St. Helena, mother of the Roman Emperor Constantine; the dedication of churches built by Constantine on the site of the Holy Sepulchre and Mount Calvary where the crucifixion of Jesus Christ took place, and the restoration of the True Cross to Jerusalem in 630.

In a deeper sense, at the other end of the year from Holy Week and Easter, Christians are again reminded on this day of the salvation of the whole human race by the crucifixion and resurrection of Jesus Christ. The Catechism of the Catholic Church explains that on the Cross on that first Good Friday 'Christ took upon himself the whole weight of evil and took away the sin of the world'. What this means is that the permanence of evil and death was 'nailed to the cross' by Jesus Christ, whom death could not hold, for he rose again in triumph on Easter Day, preparing the way to immortality for us.

Lots of us have crucifixes. Sometimes we wear them on our person, or we have one in our house, even if we are not particularly 'religious'. A crucifix is a cross

with the figure of the Lord hanging upon it and the significance of this is that the Crucified Lord was also the Risen Lord. So, a crucifix is a sign of hope, not despair.

A cross without the figure of Our Lord upon it is quite meaningless – despite so many funeral service sheets bearing a plain cross. Without the crucified and risen Christ the cross is no longer a sign of hope.

### Wanted! New Players

Moreton Rangers is a local community club with a great family atmosphere, and their Under 12 squad (school year 7) are now entering their sixth season under the dedicated and supportive coaching of FA qualified coach, Stuart Allen.

Playing 9-a-side in the Witney & District Youth League, they have been promoted every season to reach the A league and are now looking for dedicated players, who love football, to enhance the squad.

"We have a great track record of taking players of mixed abilities and bringing out the best in them as a team" says coach Allen. His success in developing young players is supported by the fact that last year, three of the squad were selected for additional training with Leicester City Football Club's Youth Academy.

Training takes place on Thursday evenings, with home matches played on Saturday mornings at the Cricket Club, Moreton-in-the-Marsh.

Anyone interested in developing their skills, having fun and being part of a great team should contact Stuart Allen on 07808 077759 or [moreton-rangers-football@hotmail.com](mailto:moreton-rangers-football@hotmail.com)

### Building on our history of high achievement

After months out of school, I am delighted to have all our students back. Our new Year 7s and Year 12s in particular have started an exciting new stage in their learning.

Covid-19 continues to affect us all and we have adapted our approach regarding transport, moving about school, social spaces and hygiene. Nevertheless, we continue to focus on excellent teaching and learning in a caring environment.

Although examinations were cancelled this summer, our consistently high standards were reflected in some hard-earned and exceptional grades, enabling our young people to progress with confidence to their next phase of learning, training and employment.

### Outstanding A Levels and university destinations.

I am proud of every one of our Sixth Form leavers though I can mention only a few here: Anna, with four A\*s, who is reading Biochemistry at Oxford; Louis, who was awarded three A\*s and an A and is off to read Physics at Imperial College, London; and Zoe, also with outstanding results, who is studying Drama and Theatre Studies at Royal Holloway, University of London. Alec and Jake, exceptional scientists with A\*s in four subjects, are off to Lancaster and Durham respectively; and Clara will read History and Politics at Edinburgh.

### GCSE success into Sixth Form.

Now in Year 12, three students deserve particular recognition for achieving Grade 9 in every one of their subjects: congratulations to Lucy, Callum and Faris. The entire year group

demonstrated commitment and resilience despite much uncertainty. Reflecting their exceptional work, 87.5% of students achieved the benchmark of five Grade 9-4 passes, and I am delighted to see so many now focusing on their A Levels and vocational studies in our thriving Sixth Form.

Exciting news, 4 Shires Swimming Club are thrilled to be expanding training into two pools from late September. This means we are able to extend training sessions for our swimmers at Kingham and Sibford, at a time when other clubs are still struggling to get pool time. The extra sessions start from Monday 21st September across all squads.

We are also pleased to announce that we are again able to run trials for potential new swimmers. If you have a swimmer who is ASA grade 7 or above who is interested in competitive swimming then please contact Jo Shaw our membership secretary for more details [membership@4ssc.co.uk](mailto:membership@4ssc.co.uk)

### Bourton Vale Tennis Club

We were fortunate enough to be able to schedule in the 2020 Bourton Vale Junior Tennis Club Championship on September 6<sup>th</sup>. A limited field of players but all very eager to do their best, and that they did! It is just incredible to see the improvement each player has made over the course of one year, especially considering the circumstances. The first match to be played was William Bell (5) against Raef Blundell-Paethorpe (8) and only the second point in saw a tremendous rally of over 8 shots. Both boys played really well in all of their matches with Raef just getting the better of William to claim runner-up spot. Next up was Scarlett Blundell-Paethorpe (6) against last year's champ, William Souch (9). Looking much more comfortable hitting the ball this year and always with a smile on her face, Scarlett was overjoyed every time she scored a point. Great to see her having such fun. William Souch playing in his other matches had warmed up nicely and was zinging the returns back to rack up the points, eventually winning all 3 of his matches. Well done William, this year's Junior Club Champion for the second consecutive year!

See you on court!

### The Adventures of Rex

Ali Lane is thrilled to present her newly published children's book, *The Adventures of Rex*, which follows the uplifting true story of her real life rescue rabbit. With illustrations from the magnificent Milly Sargent, student of the Cotswold School, the book sees an imperfectly perfect Rex transition from his timid beginning at his scary home in a pet shop's unwanted section to the loving family that he had always wished for.

Ali initially reached out to The Cotswold School Academy and their talented aspiring artists to commission the illustrations for her charismatic bunny and his friends but never quite expected the astoundingly high level of responses she received. Whilst every sketch and drawing had a different appeal, one really did stand out from the rest. With quirky characters and distinctive expressions, fifteen year old Milly had truly captivated the unique charm of every animal that Ali had adored for so many years, none more so than her beloved Rex. She hopes that the story will subconsciously teach children to embrace their individualities and know that every person and every animal is entitled to experience real love and affection.

### Cotswold North Rainbows

We have not been able to hold any face to face meetings since March due to Covid 19, but Guiding has still been happening in the Division - Rainbows have taken part in 'Adventures at Home' where challenges have been sent to the girls via emails for them to complete. An 'Adventures at Home' Virtual Festival was held and they have all been working hard to gain their Interest badges. Girlguiding Gloucestershire has put on 2 Virtual Camps that all girls from Rainbows and Leaders could register for - The Bubbs Hill Bash was held in June and was so popular that the Summer Bash was then held in August. There were many activities split into different zones for the girls to have fun with and each Camp concluded with a virtual Camp Fire.

Tillie from 2nd Moreton-in-Marsh Rainbows gained all 12 of the Rainbow Interest Badges which is a fantastic achievement.

Girlguiding have produced a special badge for the girls, the 'Conquering the Covid-19 Crisis in 2020 by Spending Time Apart but together at

Heart' badge. We hope to be returning to some face to face meetings again soon.

### IRENE'S CHARITY KNITTING CIRCLE

As we approach Autumn with shorter days and cooler weather it is time to consider making warm clothes, hats, scarves and gloves for both children and adults along with the blankets, baby beanie hats and clothing for newborns and prem babies. We will also be supplying more twiddle-muffs for the elderly in our local care homes.

Each year we invite Community Awareness to select items for the needy families in Gloucestershire and surrounds. So a selection of toys, blankets and clothing for these families this Christmas will be given to help provide comfort for them. These items will be selected towards the end of November for inclusion in the parcels distributed around Christmas time.

Peter and I have received several collections of knitted items during the last month and look forward to hearing from you from time to time about items you have knitted/crocheted whilst this dreadful Corona Virus epidemic continues.

We are so sorry we cannot all meet up for our "Knit and Natter" Coffee mornings at the moment. You can always telephone us. Arrangements can be made for collection of your

knitted items or you can deliver them to us if you are able. Please telephone and let us know in advance. As always, we send our very best wishes to you all.

Take care. Irene and Peter

## Bourton Vale Gardening Club

"A garden is a friend you can visit anytime"

Shorter days and cooler autumn nights trigger a change in deciduous leaf colour, as the dominant green pigment, we see in spring and summer produced by chlorophyll slows down and eventually stops when trees prepare to shed their leaves. The yellow and orange colours of carotenes are revealed beneath the fading green, and if we are fortunate to enjoy an autumn with dry, bright sunny days and cold nights, this mix of weather produces increased sugars in the leaves to reveal the anthocyanin hues of red and pink too.

The best places to see this magical sight are the Westonbirt and Batsford arboretums, Blenheim Palace and Hidcote all bookable in advance this year and the wilder woods at Foxholes, Guiting Power and Chedworth or further afield in the Forest of Dean. Escaping to autumnal woodlands is not only a fantastic uplifting sight, a little tree hugging or forest bathing is good for the soul. In this unusual year, our gardens, allotments and wilder spaces have been invaluable to all of us, just watching a tree, plant, insect or wild creature, letting nature bring some calm in amongst the craziness even for a few moments recharges us for another day.

Take care of yourselves and others too, stay safe.

## Cotswolds Radio at The Old Prison

"GOOOOOD morning Northleach" rang out from the Radio Northleach Breakfast Show on 27<sup>th</sup> March.

We started with a clear vision of a radio station to inform and entertain during the lockdown, with a legacy of a permanent home for the training of young people and supporting the local community.

Each step along the path has been a challenge. Sometimes with unexpected results. After a considerable amount of time and frustration with the technology but with patience and enormous support and encouragement, we are now settled at The Old Prison.

The vision was shared by others as we all moved into a new world. Dr. Paul Johnson and County Councillor Paul Hodgkinson reassured us with regular weekly bulletins. We heard from David, Will Morgan and Miss Williams, head teachers at the Cotswold School and the Primary School. Annabelle has promoted and presented an entertainment show; her son Harry has presented Saturday Club, alongside Cash, Lottie and Isla, all young pupils at Northleach School. Year 6 gave a series of beautiful readings and created a show to mark the end of their primary schooling.

Two Cotswolds School pupils Poppy and Johnty have presented their musical selections in the evening, alongside Henry Yates's jazz. Overall, an exciting start to our pledge to make the air-waves available to the next generation.

At lunchtimes, Sian read poetry and Cider with Rosie to start daytime broadcasting. Led by Kathy and Richard, Quiz Nights raised listener numbers to record levels to become the core of our fundraising commitment. With exceptional generosity, the local community, joined by family and friends throughout the UK, raised in the region of £1,500 for the playgroup, £2,000 for the Primary School and £1,000 for a primary school in Cirencester, plus £1,500 to support the radio station.

The Old Prison is an ideal home and we hope to further extend the number of visitors who can explore the original jail cells, relax in the glasshouse cafe, or take a drink in the Exercise Yard (the large rear garden). Serving artisan coffees, brunch classics, homemade cakes, and lunchtime specials, the chefs source ingredients from local suppliers and are passionate about delivering great taste, great quality and great value.

In September, we became Cotswolds Radio, continuing as a not for profit company. We all hope you enjoy The Old Prison and radio station and look forward to entertaining you over the weeks and months ahead.

## Bourton Street Volunteers

### Lynda writes:

We are now in October, I know I was hoping that Covid-19 had done its worst and was becoming a memory. I expect a number of you did too. Spikes, R number, tests and isolating are back with us again, I suppose they never left!

Please be reassured that Bourton-on-the-Water Street Volunteers and drivers are still here to help out with shopping, prescription, pets, phone calls and anything else that helps you or your family. We still have volunteer drivers delivering orders you phone into the Co-op in Bourton on a Monday, Wednesday or Friday, or you can use their Call and Collect service. Many of you will have slots from other supermarkets. Things are in a better place than we were at the start of Covid times!

Please, if you are aware of anyone you think could do with help, let us know at [bourtoncovid19help@gmail.com](mailto:bourtoncovid19help@gmail.com)

If you only have a telephone, and would welcome a regular chat, you can phone Cotswold Friends on 01608 652019. If you would like to volunteer to befriend a local person, call 01608 697007.

### Amanda writes:

Lynda and I have refreshed the email list of those kind residents who signed up as Bourton Street Volunteers. We will be contacting you all again. As we go into autumn, it is better that we are prepared for the next challenge covid may bring us as winter approaches.

The positive side of Covid lockdown is that many of us have got to know our neighbours, and made connections that can restart again in times of need. It is great if this is arranged informally and directly between you, but for those new calls for help, Bourton Street Volunteers need to know who we can call on.

Unlike the original lockdown, many volunteers have work, children at school, and other commitments. We realise that. Being on our BSV list only commits you to receiving an email or phone call from us, and you can always decline the request.

We also want to be sure that we can support our volunteers well. We have applied for a small grant from the Co-op, and have already been successful in gaining support from other sources including SEN and Parish Council. We would like to thank the Parish Clerking team and fellow Councillors for their ongoing support. And the Bourton Browser for making space for our regular updates.

Finally, we thank ALL residents of Bourton-on-the-Water for volunteering, being cheerful and kind and for asking for help when it is needed. **Lynda Hicks and Amanda Davis**

**Bourton Poppy Appeal**

Covid 19 and government regulations have limited what the Royal British Legion can do this year for its Poppy Appeal.

Poppies and wooden crosses will be the only things on offer and they will be available in some supermarkets, garages, and shops in Bourton. Because we have been encouraged to pay for everything by card recently, please remember to have some cash available!

Wreaths: I have wreaths for all the usual groups which we usually supply, plus a few spare. In case the RBL office has not reopened by November, please contact me to arrange when and where you can collect your wreath.
