- 30th Bourton Rovers Fete & Football in the River. The Green, 8am-5.30pm.

Parish Council Notes

I would like to introduce myself as your new Parish Clerk. I started in the role in July and am looking forward to getting to know local residents and familiarising myself with current local issues. I live locally at Upper Rissington and have previously clerked for parish councils in the Cotswolds and Oxfordshire. Outside of work I enjoy yoga, cycling and trips away in my touring caravan.

New bins on the Village Green: We are pleased to report that Cotswold District Council have now installed new and larger bins for general waste and recycling which we hope will ensure there is sufficient provision for residents and visitors.

Replacement Christmas Tree Lights: Although it seems a long way off at present the Council have approved the purchase of 12 new sets of Christmas tree lights and the tree will be displayed in the river as usual this year. There will be a date set soon for switching on the lights.

Bollards in the Rissington Road: Due to motorists parking on the grass verge opposite the Rissington Road car park, the Parish Council has made a contribution towards the costs of installation of wooden bollards.

New Play Equipment at The Naight and Melville play areas: The new equipment will be installed in September and we are fortunate to have been awarded grants from Cotswold District Council and the Gloucestershire Playing Fields Association for part-funding. The Naight will have a new swing/climbing frame, zip wire and MUGA (multi use games area) and Melville will have new swings and a rope climbing frame. Images of the new equipment can be found on our website here: <http://www.bourtononthewaterpc.org.uk/community/bourton-on-the-water-parish-council-7919/playground-re-opening/>

Grants for local organisations: A reminder that the deadline for receipt of applications is 20th August for consideration at the September council meeting. Our Grants Policy and application form can be found at <http://www.bourtononthewaterpc.org.uk/community/bourton-on-the-water-parish-council-7919/grants/>

The Queens Platinum Celebrations 2nd-5th June 2022: We would like to hold a village event and will be putting together a working party to plan and organise. Please let us know if you would be interested in joining.

Dementia Awareness sessions: These are being run three times at George Moore Community Centre on Tuesday 17th August, starting at 10am, 2pm and at 7pm. For anyone who would like to learn more about dementia, whether personally touched by this or just interested to know more. Free of charge and run by a professional. Please register in advance with the Clerking team.

Email address: Please note that there is a new email address for the Clerk

Bourton Browser Team News

Events listed in "Diary Dates" & "Out & Abouts" were correct at the time of printing but **we advise checking with the organisers. Also be aware some events will require pre booked tickets.**

As legal restrictions are dropped in favour of personal responsibility, we encourage all residents and visitors to do their bit to protect the village.

If you are planning events in or around Bourton, throughout 2021, let us know so we can add them to the Village Diary, accessed via our website

www.bourtonbrowser.co.uk

We welcome articles (max. 300 words) & photographs from adults & children on any subjects of local interest.

Free open-air concert, to celebrate 100 Years of The Royal British Legion

The Royal British Legion was formed 100 years ago and provides support and help to members of the Royal Navy, British Army, Royal Air Force, veterans and their families.

To celebrate this anniversary a free open-air concert will be performed by the Waterloo Band and Bugles of the Rifles in the front garden/patio of the Victoria Hall on the 7th August from 5 to 7:30pm. All villagers are welcome, bring your own refreshments, a rug or chair to sit on and enjoy the village green with some great music.

Panto Group

We can now put our plans into motion for the summer fete on the 21st August. This is when the ducks will come out for their annual outing on the river. They've been practicing for weeks and are now very excited and can't wait to get their feet wet.

Come down to the village green and browse round the stalls you'll find something for everyone. There's a bric a brac stall with both new and pre loved treasures. For the people who like a challenge we've got puzzles, every puzzle has been checked by Emma, she's been checking them all through lockdown to make sure there are no pieces missing so be assured they're all in good order. But perhaps you like a mystery, a good laugh or even a murder. We've got those as well... no, there isn't a hire-a-hit-man stall, but we've got a new stock of books many of them are like new. There's also something different - 'Everyone a winner'. It's like tombola but you will always win. Sounds interesting? Come to the village green on the 21st August and see for yourself. After winning on the Duck race you can go home, put your feet up and lose yourself in a 'who dunnit?'. You can rest easy with the knowledge that you've got aunties Christmas present and you've also got a puzzle for granddad to keep him occupied in the shed. And who knows what you'll get from the Everyone a winner stall? You can keep that prize for yourself.

Our plans are also moving forward for the Christmas Panto but that's still under wraps, more about that later.

If you'd like to join us for the next Panto please ring Jan Close on 01451 831911

and have a chat, we're always happy to welcome new faces. **Jackie Denham**

High Bridge Jewellers

PERIDOT, Augusts' Birthstone

One of the few gemstones only found in one colour. Lime Green. Found mainly in Arizona. In ancient times it was thought to be a gift of Mother Nature and when given as a present was said to bring the wearer magical and healing powers also protecting against nightmares.

Free Dementia Awareness Training

Anyone who is interested in learning more about dementia in a relaxed and informal setting, this is for you!

A trained "Dementia Enabler" Sarah Davies will be in Bourton-on-the-Water for the day.

Free awareness training will be taking place on Tuesday August 17th 2021 at George Moore Community Centre. This will be run three times during the day, starting at 10am, 2pm or 7pm.

- Dementia Friendly Bourton are working together to ensure Bourton-on-the-Water is inclusive and Dementia Friendly.
- Awareness and Understanding is a massive part of becoming Dementia Friendly, and this is what this session provides.
- What is a Dementia Friendly Community? 'A physical place where people with dementia feel understood, respected, supported, and confident they are a valuable contribution to their community' 'In a dementia-friendly community people will be aware of and understand dementia, and people with dementia will feel included and involved, and have choice and control over their day-to-day lives.'
- Most people with dementia want to remain in their own communities in their own homes for as long as possible.
- People with dementia want and need to continue to feel part of their community.

The adjacent cafe room will be open as a "time out" space, and we aim to be as inclusive and relaxed as possible. If you have a family member, child or adult you wish to come along, you are most welcome. There is free car parking.

To let us plan for the numbers that may attend, please contact the Parish Clerking team at the GMCC by emailing assitant.clerk@bourtononthewater-pc.gov.uk

If you can manage a mask, please wear one until we are settled in the room, and we are mask friendly. Ventilation and sanitisers and other Covid precautions will be in use.

This has come about thanks to a grant project run through Parish Council, and working within the Gloucestershire Dementia Action Alliance. "Dementia Friendly Bourton" is keen to hear from you <https://dementia-friendly-bourton-on-the-water.yolasite.com/> **Amanda Davies**

Greystones 10K Raises £850 for Gloucestershire Wildlife Trust

After a year off because of Covid-19 the Greystones 10K and children's fun run, sponsored by Brio Retirement Living, returned on 4th July. Over 50 runners tested themselves on the 10K course across the beautiful countryside of the Greystones Farm Nature Reserve.

The team from Bourton Roadrunners heading off from the socially distanced start

Due to Covid social distancing requirements, the start of the race was staggered, with groups of four runners lining up at a time. Times were recorded with the use of chip timing provided by LuSH race timing.

The start of the children's fun run. Bentley Fasasi (number 213) was the winner.

Prior to the main 10K there was a children's fun run that was won by Bentley Fasasi. The 10K was won by Freddie Fielding in 40.06 minutes closely followed by Mike Smith and Barnaby Hall of Bourton Roadrunners. Lauren Cooper was the first woman home, finishing in 4th place overall. Jaq Underwood of

Bourton Roadrunners and Gabrielle Swait came in 5th and 6th.

Lauren Cooper – winner of the women's race

There was a lot of positive feedback typified by one runner who said 'I loved, loved, loved the event. The volunteers were very helpful and the marshals were in abundance which meant no chance of getting lost. The route was also great, just had to watch the rabbit holes in one of the later fields! We will be back next year.'

Medals for all runners were presented by Kelda Fasasi General Manager & Head of Care at Brio and Steve Whincup the President of North Cotswolds Rotary. The £850 profit made will go to support Gloucestershire Wildlife Trust's work at Greystones Farm Nature Reserve.

The Greystones 10K has now become a popular event in the summer running calendar, and we are already planning for next year when we hope to be free of Covid restrictions and expect many more runners.

Kelda Fasasi from Brio Retirement Living and Steve Whincup from North Cotswolds Rotary presenting the winner, Freddie Fielding, with his prize and medal

In aid of
Sunflowers
SUICIDE SUPPORT

I would to say a really big THANK YOU to each and everyone that supported our sunflower week. The shop windows looked bright and cheerful, you did a smashing job thank you.

My appreciation goes to Lynda Hicks for her help with this project. Thank you to the parish council for allowing me decorate the VIP area. Up to this point, between us all, we have raised £1418.96, with a few donations still to come in.

During our sunflower week I have met and spoken to some lovely people. And like many of you I would love for this to become an annual event.

u3a Bourton & District

A number of our Interest Groups have started meeting again and more have meetings planned for August and September. We are gradually coming back together after all the lockdowns and restrictions.

For months we have been seeking a new Chairperson without any luck. To save the u3a, our Treasurer and Vice Chair, Paul Clark has, very reluctantly, agreed to take on the Chairperson's role. This is an amazingly generous offer from Paul as he has already served 9 years on the committee and has more than done his bit.

However that means **we must find a new Treasurer!** **Filling that role is equally essential if the u3a is to continue.** We are hoping this will prove an easier task. We don't need an accountant; just somebody who can keep simple records of income and expenditure.

We also need a volunteer to take over the **Publicity Officer's role.**

Please get in touch with me for an informal chat about either role if you think you could help.

I sincerely hope that when I write my final report as Chairperson, for the September Browser, enough volunteers will have come forward to make up a viable committee.

It is probable that the August Main Meeting (25th August) will be cancelled, as so many members seem to be on holiday, grandparent duty or otherwise engaged. **The most up to date information will be on our website, or call the u3a mobile on 07783 235320.**

On 22nd September we hope to be celebrating our 10th Birthday by returning to live Main Meetings. If you are retired or semi retired you will be very welcome to join us then. Details in the next Browser and on the website. We welcome men and women, couples and singles. We are non-discriminatory, non-political and non-religious. **If you are new to the area, newly retired or newly alone it is a great way to make friends.**

Susan Dodd, Chairperson. chairperson@banddu3a.org.uk
 u3a mobile 07783 235320, www.u3asites.org.uk/bourton

Cotswold Fosseway Lions Club

For more than a century, Lions volunteers have served local communities. Our Mission: Lions Serve. It's that simple. Lions clubs are places where individuals join together to give their valuable time and effort to improving their communities, and the world. As communities around the world seek to find a sense of normalcy once again, Lions have a new and great opportunity to lead by example. We can help the world recover in this time when so many are struggling. We must keep up our innovative service efforts of the past year and expand on them to address the needs of our current situation, with the knowledge that things can change at any moment.

Like many charities, fundraising has been difficult for the club this year but thanks to Aerosuperbatics of RFC Rencomb who have generously offered us a flight to raise funds, I am doing a wing walk on 16th July. This sponsored event will enable the club to donate money to three charities. HEADSPACE in Bourton is the first choice and two others will be announced shortly. During the last year, from the time of the first lockdown, we have made £1,800 of donations to those charities that have been most in need during the pandemic, such as the FOODBANK and various Mental Health Charities and so we now need to fundraise as soon as possible to allow us to add funds to the Charity Account to provide future donations.

We continue to deliver Foodbank donations fortnightly from Fruitcakes in Northleach. We need new members for our 100 Club. For an annual cost of £13 there is a chance to win 20% of the monthly subscriptions in each draw, double that in June and December. Please contact us if you would like to be included.

As we started our Lions year on 1st July 2021 with some new officers we very much look forward to a busier year than last! It is lovely to get back to normal meetings on the second Tuesday of each month held in The Black Cat Cafe, Northleach meeting room at 8pm rather than zoom meetings. We have our first social pub meal on 30th July too! We would love to welcome new members so please visit our Facebook page if you would like to know more.

Avril Haseler/President

Message from the Church

By the time you read this, the legal restrictions around social distancing and meeting up will almost certainly have been lifted and our 'freedom' will have been restored. But I suspect we all recognise that life will still be far from 'normal', and that we will never be able to return to exactly how things were in the pre-pandemic days. Indeed, as we all learn to live with Covid and make decisions about how we are going to live responsibly with the ongoing risks, many challenges still lie ahead.

As a church, we are very aware that the next stage in the process won't be easy. As the restrictions have relaxed, we have been taking small steps forward. Some of us have started meeting again on a Sunday morning, albeit with masks and singing only outdoors, and it has reminded us all of how important simply being together is. Open4U is, once again, open – for you! Currently it is only for coffee and cake on a Thursday morning (between 10.30am and

12.30pm), but again, it is so good just to meet, in a way that has been impossible for so long. So do come and join us if you can!

But the changes relating to Covid aren't the only challenge we're facing at the moment. You probably know that our minister, Rev Ian Fowler, left us at the beginning of April and will shortly take up a new role as an Army Chaplain. Consequently, we are now working through the process of searching for a minister – a process that requires us to listen to God, and encourages us to re-evaluate what he is calling us to be and to do – as individuals, and as a Baptist church – here in Bourton. Thankfully God is in charge – so watch this space!

For The Younger Generations

THE COTSWOLD SCHOOL

Have a restful summer!

As this challenging school year closes, I am proud of what students and staff across the whole school have achieved and also look forward to exciting times ahead. First, however, we all need a rest!

We have continued to provide some top experiences for students in school, in addition to our full curriculum. As far as we were able under the restrictions, we brought back clubs and visits this term. These included Year 7 STEM club and Back in Black jazz band rehearsals; a visiting West End director's music workshops; a brilliant range of summer sports; and university, careers and apprenticeships support.

We have connected our students to experts around the world using Zoom and Teams: we hosted a fun Q&A with England Rugby players and a chance to debate with a professor of History at a top US university. Meanwhile, a group of Sixth Form students have been invited to participate in a prestigious international programme with a sustainability organisation called Voiz, contributing to an online resource of product reviews.

Our school is expanding and the construction and refurbishment work to create new science laboratories, gymnasium, reception area, library and 10-classroom English department continues. I am delighted by the development and the facilities that we are adding. Within the next six months, as the work is completed, we know that we will enhance the experience of all our children; provide a welcoming place for visitors from our community, and create an inspiring and spacious environment in which to teach and learn.

To those children and families joining us in Year 7, [please visit our website](#) to see videos and welcome messages from tutors and fellow pupils. We're looking forward to meeting you!

Will Morgan, Headteacher

Conduction science experiments in STEM Club

4 Shires Swimming Club

Our current training term ended on 18th July and we are now operating a summer training schedule at Kingham Hill and Sibford School. This will take us through to the start of our new term on 6th September.

Zoe Pearson was named Senior Monthly swimmer and Melissa Cooley was Junior Monthly swimmer.

Following our AGM, we have a full committee going forward to 2021/22 and have lots of exciting plans for the year ahead. Team Captains for the year are Aaron Hamilton and Charlotte Oliver and Vice Captains are Ben Warner and Eva Darby.

Swim England have been focussing on the benefits of swimming as part of Covid-19 recovery, recognising that swimming and being active in the water has a positive impact on physical and mental health. So if you are a keen swimmer looking to compete or simply develop your fitness and skills then please contact us to book onto one of our Trial sessions. You can do this via our website - <http://www.4ssc.co.uk/join-us> or email us at membership@4ssc.co.uk for details of our next Trial sessions

Lucy Warner

Cubs Summer Term Review

Cubs returned to face to face meetings and soon got busy with some new activities.

We built rockets from pop bottles and sticks, although it was a few weeks before the weather allowed us to send them skywards, powered by vinegar and baking powder. The bank holidays in May saw us striking out across the local fields to visit and find out about our nearby churches as part of the hikes away badge. The cubs all did very well and there was barely a complaint to be heard – especially when the sun came out and there was the prospect of an ice cream at the Greystones café.

Throughout the term the cubs all learned to tie a clove hitch, square lashing and a reef knot. These were put to good use as they built rafts, with which we entertained locals and tourists alike by holding a series of races along the Windrush. All of the rafts held together and floated, which was mightily impressive. None of the cubs sank, which was a big relief.

By the time you read this, the cubs will have ended the term by rescuing injured spies from occupied France in 1944. This is a test of the map reading, first aid skills and problem solv-

ing skills, living The Scouting Associations mission of teaching our young people 'skills for life', giving them the confidence to learn, develop and the knowledge that they can tackle unusual situations whilst seeing the rewards of both individual effort and team work.

If you would like to be part of this energetic group of young people (and slightly older leaders), either as a cub or part of the volunteer team that gives them the opportunity to learn and develop, please contact **Nick Hawke** at 1stbourtoncubs@gmail.com.

Nick Hawke

Volunteers Needed -Bourton on the Water Scouts

As a result of Lynn and Scott Dartnell, who were the Scout leaders of the 1st Bourton on the Water Scout group leaving, this has led to the scout section and the explorer section closing.

However, Nick Hawke the cub leader of 1st Bourton on the Water, who runs a very successful section, would very much like to hear from you to see if you would be willing to help the Cub section of the group, with a view to re-establishing the scout and explorer sections in the future.

Similarly we need some committee members who are prepared to help occasionally with general support of the group.

If you think you could help in contributing to the young people of the area, please respond to Nick Hawke, myself or the DC Team.

THANKYOU

The Rev. Rowena King, and the church team, would just like to say a heartfelt thank you for your kind support of the Saint Lawrence church summer fete through your generous donations to the Tombola. The church's income has, like all of us over the pandemic, suffered heavy losses, and so this annual fund raiser was more important than ever in trying to help bolster the churches' ability to help in the community and, thanks to your kindness, and the hard work of our team, coffee, tea and outstanding cake makers,

our summer fete was a resounding success, raising over £1,400 over the course of the day. Our request for business cards and compliment slips to attach to your donations, meant we could point visitors, taking part in the Tombola, to the businesses who supported us, so they would know how to

SUMMER FETE

BOURTON ONE MILE CHALLENGE

- JULY 10th 2021

Runners have been itching to get back to what they love doing - racing - and at last, despite Covid regulations putting huge restraints on the event, the Bourton One Mile Challenge was able to take place once again last Saturday evening.

A rolling wave system meant no distancing restrictions were breached and, with Steve & Lynn Hudson of Lush Timing, facilitating chip timing mats at the start and finish, enabling point to point accurate timing, many athletes said they actually preferred it to the mad dash of previous years.

Whilst the main race produced some spectacular performances from the front runners, the undoubted star of the show was Felix Thompson, who had the determination to train continuously throughout from the first lockdown period. His disability means he struggles to walk, however walk and run he did, pushing his wheelchair, to knock 4 minutes off his previous time and win the 1st Male trophy in the Fun Run.

Felix Thompson together with Race Co-organiser Norm Lane (181) - 1st Male Bourton Fun Run 10.07.21. Pippa Krzywiec is certainly a star in her own right, running a time of 7.09 at just 8 years of age, to win the 1st female trophy.

Some athletes travelled a huge distance to have the opportunity of recording a fast time on the road and no-one more than Eva Barton from West Suffolk AC who, at just 12 years of age, won the ladies race in a time of 5.20, moving herself up to No. 1 Ranking Nationally for U/13 Females.

The men kept it closer to home, but in no way less impressive, as the overall winner, Ben Robinson from Gloucester AC, stormed across the finish in a very quick time of 4.16.

Thank you to Cotswold & Vale Electrical and F&M Plumbing for their sponsorship and the help of our family and friends who were invaluable on the day. We really appreciate you.

Norm & Ali Lane

Bourton Roadrunners

Bourton Classic Mile – 10-07-2021

The Bourton One Mile Challenge has built up a tremendous reputation over the years and always attracts top athletes from near and far to enter into this one mile sprint. This year over a hundred keen runners took part in the event, promoted by Norm and Ali Lane, in aid of Arthritis charities. The race was also first event in this year's Gloucestershire Road Race series.

The first Bourton Roadrunner to finish was Peter Carrick in a time of 5:22, narrowly beaten by the GB ladies junior champion Eva Barton who was first woman in the race. Next to finish were Bourton Juniors Frederick Sanson and Lucy Hillary, both in 5:47. Local man Tim Hemming, in his first race for the club, had a brilliant run achieving 6:10. Close behind was Darren Long in 6:12 and Alfie Sansom in 6:16.

Maxine Emes was 3rd LV/35 in a time of 6:32 ahead of Tom Hill (MV/60) in a good time of 6:42. Gillian Carrick was 2nd LV/60 in a respectable time of 8:00.

Norm Lane, having set up course, ensured that adequate support facilities were in place and sent the competitors off in socially distanced groups, took part in the race himself alongside the ever-present Felix Thomson, who was joined by his guide dog and his mother. This group was received at the finish with a tremendous applause, in 16:49. Felix won the male Fun Run race trophy, while Norm was rewarded with 2nd MV/75.

Vitality London 10k – 11-07-2021

Alan Gibson and his dad John, ever-presents at the Vitality London 10k, took part in this year's rescheduled race which was held in Hatfield Park Hertfordshire. A departure from the usual fast flat course around London's principal City and West End sights, the event was turned into a socially distanced off-road race. Whilst not fast, the two enjoyed the course and the day out in a time of 64 minutes; home in time for the Euro Football final! **John Gibson**

Cross Country Race

For Adults and Juniors at Kestrel Barn (just off Pound Lane), Little Rissington. 21st August 2021 from 2.30 p.m. 2 Miles for adults, 1 mile, for under 15s, at £5 or £2 entry fee. Entries online at <https://www.race-results.co.uk/results/2021/>

Direct to Ali Lane or enter on the day.

Contact Ali for details.

Bird Bathing Beauties

On a dry, dusty, wall tub base,
Blackbird and robin share a space -
Sunbathing, as if topping up tans,
And wings open like feathered fans.

In a sun trap they lay flat out together,
Wings almost touching each other. Once
more they show they're wise, Knowing
just when to harmonise.

Safe and warm amidst the dust,
And in one another show their trust. Si-
lent and still, they settle and stay.
Until, quite suddenly, they fly away.

Hugh O'Connel

BOURTON-ON-THE-WATER

PROBUS

'The best laid plans . . .'
Boris stymied our plans for
a face-to-face meeting at
the end of June, and the

Ladies Morning in July, but hopefully not
our meeting on Monday, 26th July, at the
George Moore Community Centre when
a social meeting was arranged for 10 am.

But, nothing ventured, nothing gained,
Speakers have been arranged for our
meetings on 9th and 23rd August, so pol-
ish your shoes and brush your hair
chaps, we are back! Our speaker on 9th
is Mrs Marsha Lees and her subject is
'My life in Russia before and after Pere-
stroika' and on 23rd Derek Taylor on
'Fake News', and don't forget our Sum-
mer Lunch at Inn for all Seasons on 19th
August.

We have met regularly via Zoom, what
would we have done without it? A word
which we would never previously have
used in the context of communication.
We have been grateful for this contact
but look forward to once again meeting
in person.

When we do, if you would like to join us,
please contact David on 01451 821098.
We are a group of retired or semi-retired
gentlemen who enjoy each other's com-
pany, either in meetings at the Commu-
nity Centre in Moore Road, where we
regularly have a visiting speaker, or on
visits to a variety of interesting locations.
So, fingers crossed that from now on the
future is bright!

Bill Furner

BOURTON-ON- THE-WATER WI

In spite of our hopes voiced in the July Bourton Browser, Covid Regulations were not lifted in time for us to enjoy our first meeting in Victoria Hall for a long time, proposed for 13th July. However, the following week, we were able to enjoy our delayed cheese tasting delivered by Simon Weaver, and with considerable help from him, in the large barn at Greystones. This was much appreciated by almost a full turn out of members who were delighted to gather together at long last.

Our August meeting is outdoors in a member's garden, to be celebrated with light refreshments. Pandemic Regulations should not play a part in this but weather forecasts will, so fingers crossed for a pleasant day when sunshine will be a very welcome visitor.

We are very happy to report that although our meetings were held via Zoom we have been able to slightly increase our membership. A real triumph for us as 12 months ago we worried about the survival of our group. Thank you, members, particularly as in October 2021 the Bourton WI will have been in existence for 100 years.

We are always happy to welcome new members so anyone wishing to join please speak to a current member or phone Carol on 01451 810305 or Jean on 01451 810740 for more information.

Take care
Jean Furner

Ice Cream Treats!

Olivia, the Customer Relations Manager from Edwardstow Court Care Centre in Stow, also leads our "Dementia Friendly Bourton" group. She invited Allan Hymers (also a DFB group member) from Cotswold Ice Creams to deliver some ice creams on his tricycle to Edwardstow Court residents.

This was arranged to give residents and staff something to look forward to, as there are still quite a few restrictions in place for care home residents. Those living with Dementia were able to enjoy the classic look of Allan and his tricycle whilst enjoying some delicious ice cream. The residents had a wonderful time, they felt special and enjoyed the magic of seeing Allan.

Clare Jobling from CDC and a fellow member of DFB arranged a trailer hire to enable Allan and his tricycle with Ice-creams on board, to make their way up the Stow hill! It would not have been possible without the kindness and time given by members of the Dementia Friendly Bourton group, so a big thank you to you all.

For more information on Dementia Friendly Bourton, and to consider joining us, see <https://dementia-friendly-bourton-on-the-water.yolasite.com/>

Calling Ladies of Bourton!

Self-care, grow your own veg, eat clean, go vegan, save the pandas... is your head spinning with what on earth we should all be doing to look after ourselves?! Ours are! We have got your back!

Lizzie, Lourenza and Julie are on a mission to bring together the women in our community to offer simple, practical advice to help make a difference to your lives.

We are running a women's only wellness morning from 11am to 2pm on the 20th Aug at Bourton Vale Cricket Club in collaboration with local community businesses who want to help YOU feel great! With talks and demonstrations on nutrition, movement and mindfulness.

Julie will be talking to us about seasonal nutrition and demonstrating how to make simple, delicious food that will help make you feel fantastic, nourishing your body and your tastebuds. Do not worry the food will not just be for show, your ticket will include a fabulous light lunch.

Lizzie from Mindful Movement Yoga will be taking you on an exploration of movement and meditation. Discussing the importance of incorporating both movement and stillness into your life to help improve your mental clarity, sleep, mobility and strength in a way that is realistic and accessible for all. Lizzie will be offering a 20-minute gentle class (no yoga mats required) suitable for all mobility levels, finishing with a deeply relaxing 15-minute guided meditation.

Tea and cake will be served with an opportunity to chat, meet new friends, and enjoy the wonderful delicacies.

So why not come along, make new friends, and learn simple techniques to help you feel the best version of you!

Bourton Vale Gardening Club
A garden is a friend you can visit anytime

Our next meeting will be at 7.30pm on Wednesday September 8th in the St Lawrence Parish Church, beginning with a brief AGM, followed by a tribute, presented by Mike Marshall to keen photographer and plants enthusiast Mornee Button. There will be a raffle and refreshments and our monthly competition will be a single Dahlia stem, and we hope you will come and join us for a long over due horticultural get together. Members and non-members are all very welcome.

In gardens at home, August is a time to reap rewards, vegetables and fruit are ripening, ready to pick and enjoy. All of the earlier work, creating new beds, or preparing the soil, sowing seeds, planting and nurturing, should be coming to fruition in the last of the summer months. Harvesting your own produce, plot to plate is a special treat to savour and, with luck, a sunny August too.

For repeat flowering plants, deadhead, to ensure there are plenty of blooms through the rest of summer. For others such as Poppies, Rudbeckias, Heleniums, Echinops and Nigellas leaving the seed heads on gives structure in the borders, adding teasels to a wildlife garden may be especially rewarding and attract seed eating goldfinches, little flashes of colourful joy, over the cooler months. August is a good time to save some seed for sowing next year too.

If you are cutting hedges, double check, in case of late nesting blackbirds and thrushes, ensuring plenty of food and fresh water will help the parents. By August many birds will be looking slightly worse for wear as they shed or moult their breeding feathers and grow new ones, ready for the coming Autumn.

Happy gardening and wildlife watching

Julie Huckle

IRENE'S CHARITY KNITTING CIRCLE

We have decided to arrange our first "post covid" meeting for Wednesday 8th September at The George Moore Community Centre Café, from 10am to 12pm. As in the past, we are planning to have them on the second Wednesday of each month from there onwards. Do come along and bring your knitting if you wish. This is very good news for us all and we look forward to enjoying the companionship that we have been missing during the Covid 19 Pandemic.

So many of you have been providing a remarkable amount of items during the Pandemic and we hope it has helped you all by keeping active and that you have enjoyed having the opportunity to continue with your knitting/ crocheting of items for those less fortunate than ourselves.

We will again be able to supply Twiddlemuffs for the local Care Homes. We will also supply Beanie Hats and other knitted items for both premature and newborn babies to the Great Western Hospital Maternity Unit. Also, as in the past, we will be supplying many items for Syria again as soon as we can deliver them to their depot in Birmingham for onward transportation.

With our very best wishes

Irene and Peter

Village Speed Cameras

There has been some speculation on social media about the capabilities of the cameras.

The Parish network of "Safe-speed" ANPR cameras monitor traffic flow and speed 24/7. The speed of all passing vehicles is captured and reviewed regularly by the Neighbourhood Police team to identify persistent transgressors. Warning letters are issued where considered appropriate and enforcement action may follow if warnings go unheeded. Over 500 letters have been issued to date and there has been a significant reduction in the speed of traffic at the camera locations. For example, at the Rissington Road site alone, the average speed of passing traffic has reduced from a baseline of 33.7mph in May 2018 (as recorded by GCC Highways) to 27.1mph in May 2021.

Drivers, please remember that the speed limit through the centre of the Village is 20mph and other areas 30mph. Please keep below the limits and make Bourton's roads safer.

on-the-Hill. **Ray Dodd, Advertising Manager**

ABOUT THE BOURTON BROWSER

All articles received will be printed wherever
possible in the magazine & on the website,
however we reserve the right not to print
anonymous letters or anything of a defama-
tory or controversial nature. We have a
limit of 300 words per article. If your con-
tact details appear in the Bourton Browser
they will be on our website copy. If you do
not want this to happen tell us. Unless we
hear from you we will assume consent. The
views of contributors to the Bourton
Browser may not necessarily be those of the
Editor, nor can the Bourton Browser accept
any responsibilities in connection with any
companies or organisations mentioned.
