Parish Council Notes

Parish Council Notes – Council Meeting 4th August 2021

Cotswold District Council: CDC is currently recruiting a Village Warden, also known as a Clean & Green Officer, specifically for Bourton-on-the-Water. The main purpose of this role is to support Clean and Green Cotswolds in making a safer, cleaner and well-maintained village; whilst providing a proactive Village Warden service attending identified Hot Spots ensuring both visitors, businesses and residents respect the local area.

Police: The Council was advised that PC Escolme has been seconded to another area for six months so PC Richie Webb and PCSO John Allen will be the local points of contact until further advice is received. The Police & Crime Commissioner and Chief Constable are holding a Building Stronger Communities Roadshow at Moreton Fire College on Monday 27th September from 6.00-8.30pm. For more details and to register to attend please visit bit.ly/3yFetGU

Health & Wellbeing: The Parish Council adopted the Gloucestershire Health and Wellbeing Board's (GloW) commitment for better mental health. The full statement can be viewed on the Parish Council's website under the Wellbeing tab. Council will take action to promote positive change by pledging to deliver a Mental Health Project, including Dementia Friendly Bourton, suicide awareness and prevention, and Mental Health First Aid training within the community through accredited, qualified and insured third-party providers. The Parish Council has also joined Gloucestershire Dementia Action Alliance and made three pledges (as set out on its website) to show leadership towards Dementia Friendly Bourton.

Christmas Tree Display: Sadly, the team from Agrihire has now retired from the role of installing the Christmas tree in the river so we'd love to hear from anyone who may be able to take on the job. The main requirement is the operation of a telehandler or similar to lift the metal base and tree into the river. Please contact the Parish Council office for more details.

First Aid Training Courses: Cotswold First Aid will be running a series of first aid training courses at The George Moore Community Centre which are free of charge for local residents to attend. Please register in advance by emailing assitant.clerk@bourtononthewater-pc.gov.uk or calling the Parish Council office to book your place:

Bourton-on-the-Water WI

The Bourton-on-the-Water WI certainly know how to live life in full bloom, with a great combination of their annual Rose Competition whilst enjoying the beautiful flowers and setting of their annual garden party. It was held in one of the members' gardens which backs onto the river Windrush, which was a sheer delight. The weather played its part with the sun shining

whilst members enjoyed copious cups of tea and homemade cake. It was a lovely social get together enjoyed by all, with an extremely good turnout. The proud recipient of the Rose Bowl being Valerie Robotham and grateful thanks to Jenny for the use of her beautiful garden.

You would be very welcome to come and enjoy the delights of homemade cakes and friendly members. Why not come along to the next meeting which is to be held at the Victoria Hall in Bourton at 7pm on Tuesday 14th September. There will be a demonstration on Indian Block Printing by Clare Walsh.

Irene's Charity Knitting Circle

We were hoping to be able to meet up, as in the past, on the second Wednesday of each month from September but we are now unhappy about the high Covid 19 numbers still being issued and so have decided that we should delay our first meeting until Wednesday, 13th October, and then monthly thereafter at 10:00 - 12:00 noon in the Community Centre Cafe.

In the meantime, we can all look forward to being able to restart our meetings and to enjoy the companionship which we have missed during the Covid 19 Pandemic. We are so grateful to all who have been providing a remarkable amount of items during the Pandemic and that you have enjoyed having the opportunity to continue with your knitting/crochet of items for those less fortunate than ourselves. We have also received items from residents in Bourton and local villages which is very much appreciated.

We will soon be able to supply Twiddlemuffs for the local Care Homes. We will be able to supply Beanie Hats, Matinee Jackets and other knitted items for both premature and newborn babies to the Great Western Hospital Maternity Unit again. Items for Syria will also be delivered to their depot in Birmingham for onward transportation.

It will be so good to see you all again. In the meantime take care, stay safe.

With our very best
wishes

Irene and Peter

Cotswold Fosseway Lions Club

The Club is very pleased to have been able to donate to three charities from our recent Wing Walk fundraiser which took place on 16th July at RFC Rencomb Aerodrome. Head-space in Bourton, Prostate Cancer and The Pied Piper Appeal, will all receive donations. An excellent £1700 was raised!! The club has a welfare committee and meets regularly to discuss requests for donations to local good causes. We recently donated to Watershed Riding for the Disabled in Coates, near Cirencester. Riding therapy has been offered there since 1993. The Watershed has no paid staff. Everyone is a volunteer! Riding and interaction with horses provides profound benefits for people of all ages, particularly for those whose lives may be limited or challenged through disability.

When building a home, the most important first step is to have a strong foundation that can support the rooms, furniture and lives that will rest upon it. In serving, it's equally important to have a solid foundation to support the work we do. Lions Clubs International Foundation (LCIF) is that support. It enables Lions to do work that would otherwise be out of reach. Whether helping to fund the water pipes being installed in Malawi or the gender-equity programmes for young people in India. Right now these places may seem far away from your town and the needs of your community but one day your community may need help from LCIF.

And LCIF will be there for your community because millions of Lions around the world recognised that your town is just as important as theirs. We support one another and that is what we do in our club to help the community. We are all volunteers and volunteering is known to provide many benefits to individuals - additional social contact, a feeling of self worth and a sense of belonging. This is seen at the Watershed and in our Lions Club. Volunteering is fun and very satisfying.

We are planning a Quiz in October in The Cotswold Hall to raise money. More details of this will be published in the October Browser. Our club's monthly meetings take place in The Black Cat in the upstairs meeting room at 8pm in Northleach, the second Tuesday of each month. Our next meeting will be 7th September due to members not being available on the usual night. If you would like to attend please get in touch:

Bourton on the Water PROBUS

By Jove, we did it! Probus members and guests met in the Community Centre on Moore Road on 9th August, just as in pre-Covid times, well almost!

It was great to socialise again with a minimum of restrictions.

Our speaker for the occasion was Marsha Rees with a very interesting account of her life in Russia before and after Perestroika. She praised the education system she experienced but also had to give us not so glowing accounts of life growing up in Russia. Members were able to ask questions and also give examples of their experiences holidaying in Russia. Our thanks to Marsha, who was accompanied and assisted by her husband.

We now hope to proceed with a normal programme of events, meeting twice a month on Monday mornings at the Community Centre. If you are interested in joining us, please give our Secretary, David, a call on 01451 821098.

When you read this, we hope to have enjoyed our Summer Lunch, at The Inn For All Seasons, on Thursday, 19th August. Till next month take care everyone. **Bill Furner**

Planning permission sought for large caravan park just outside Bourton-on-the-Water

A planning application has been submitted to Cotswolds District Council Planning Department and is currently being deliberated upon. The application seeks permission to establish a large caravan park in a field just south of the Valley View Caravan Park in the angle between the Old Gloucester road (A436) and the Fosse Way (A429).

A number of objections have been submitted to CDC by residents in the vicinity, focussing on the inappropriateness of such a development in an Area of Outstanding Natural Beauty (AONB), the fact that Bourton is already swamped with tourists, the dangers of slow-moving caravans pulling out onto fast arterial roads, and the fact that the information supplied to the Planners by the applicant is deemed to be inaccurate and misleading.

I think it is important that as many local residents as possible are informed of this application, so that as many objections as possible can be submitted to CDC (by letter or through their Planning Portal) in the hope that this lovely part of the AONB will not be blighted by such an intrusive and unsightly development.

Flight of the Swallow

She returns from far, far away,
 Flying two hundred miles every day:
 Primed to navigate the Pyrenees,
 The Sahara and stormy seas.

She depends on gnats and flies,
 When flying those perilous miles,
 To where she, surely, loves the best-
 A Cotswold barn and her old nest.

She raises another family there,
 Giving them such devoted care.
 And when all is well and done,
 Departs again in search of the sun.

Who dares to try and follow
 The risk-filled route of the swallow?
 We can only wish her all the best
 And keep in place her empty nest.

Message from the Church

If the only prayer you make is "thank you," that will suffice. (attributed to Meister Eckhart, German mystic)

As the leaves begin to turn later this month and the fields are harvested, we take time, at our Benefice Harvest Festivals, to give thanks for what has been gathered in this year – both the fruits of the earth and also the fruits of the Spirit.

We take time to appreciate abundance – physical (pickled runner beans anyone?) and personal (our gifts and talents, our relationships of support and love – perhaps even more appreciated this year).

This time of reflection reminds us of the interdependence of our lives; that we are always held and dependent on God, the life of this amazing planet, and all the people who have guided, protected, inspired, and nurtured us.

Taking time to say "Thank you" is a spiritual practice and is something we never finish doing. Saying "Thank you" is a daily act of trust; of being attentive to

goodness in the midst of everyday life – even in the midst of challenge and difficulty – something which only becomes possible if we have made thanksgiving a habit. The blessing of this practice is that we become more attuned to noticing goodness and abundance. We see it more clearly and find it even in the unexpected turns of our lives.

If the only prayer you make is "thank you," that will be enough. And, "thank you" can be said over and over again not just to God for the blessings of this day, but to everyone whose life touches yours in a creative way. Such gratitude opens us to new blessings, but more importantly opens our hands and hearts to bless others – through a kind word as well as our time, talent, and treasure.

Rev. Rowena King

THE COTSWOLD SCHOOL

Excellent results bring us all delight

I hope, during the summer holidays, you have had time to rest and recuperate after what was an exceptionally testing year. It gave me and my staff great pleasure to share in the happiness and sense of relief that many of our students and their families experienced when the GCSE and A Level results were revealed. After immense hard work and having faced many challenges, these excellent results were thoroughly deserved. Here are just a few of the highlights:

A Level results

George Gresley will read History at Balliol College, The University of Oxford, having achieved A* in History, English Literature and Psychology. Beth Powell, Head Girl 2020-21, achieved A* grades in Biology, Chemistry and Mathematics and is off to The University of Cambridge to study Natural Sciences.

Hattie Price and Layla Reed are each beginning a prestigious course in veterinary medicine. Hattie will study Veterinary Medicine and Surgery at Harper and Keele, Layla will go to the University of Bristol to study Veterinary Science.

Barney Hotten achieved four A*s in Economics, Maths, Further Maths and Physics and will study Economics (with a placement year) at University College London.

Off to study Economics at UCL

GCSE results

We saw excellent results across a broad range of subjects. It is hard to single people out but Tori, Ella and Alessandro – who were awarded between eight and 10 grade 9 GCSEs apiece, plus grade A's in Additional Mathematics – deserve a special mention. We are delighted that so many students are planning to return to The Cotswold School to pursue their A Levels in our Sixth Form.

I look forward to welcoming our new Year 7s – and all our pupils – back to school in September.

Will Morgan, Headteacher

Bourton Vale Tennis Club

Last month we said goodbye to our coach James Hilltout. James has been with Bourton Vale Lawn Tennis Club for some 30 years and we are all indebted to him for the great service he has given the Club. We wish him well in his future endeavours overseas!

We are very pleased to report we now have a new coach. Kingsley Harris is an LTA-accredited Level 4 Performance and Club Coach with many years' experience as head coach at large and medium-sized clubs and as an LTA county and regional coach. As such, we are very happy to appoint someone of Kingsley's exceptional calibre.

Kingsley will be picking up where James left off with the autumn term of the Junior Programme beginning in September. Kingsley will of course be offering coaching to adults too, so if you, or your children, are interested in taking tennis lessons please contact Kingsley direct on 07879 644218 or visit our website at www.bourtontennisclub.org for more details.

See you on court!

North Cotswold District Scouts

It was with great pleasure that I was able to award the Scouts 'Thankyou' badges to Jeanette Brew and Sue Boatman for their sterling work in managing the Baden Powell hall in Bourton on the Water. This award is given to non-uniformed volunteers who contribute greatly to the scout movement.

Both Jeanette and Sue have been active members of the BPH Committee for some time and during 'Lockdown' they managed with others to organise the redecoration of the hall and bring it up to COVID 19 standards.

On behalf of the North Cotswold/ Cotswold Districts Scouts and the local community we thank you for your continuing support.

Bourton Vale Gardening Club

A garden is a friend you can visit anytime

As we move into this autumn, hopefully a gentle one with kind temperatures, there are lots of lovely September gardening jobs to get stuck into. Daffodils, Hyacinths and Crocus can be planted now, in borders or layered in pots for a continuing display; Tulips are better planted in November. Some of your flowering plants will now readily shed seed for free, choose a dry day and gently tap the seed heads into envelopes, then store the seeds in a dry cool container ready for sowing next spring, it's a lovely child friendly activity too. With a few more tools, dividing perennials in September to increase your border stock also invigorates older plants and is another way to create plants for free or gifts for others.

Helping our garden wildlife and leaving ornamental borders a little unruly, instead of tidying for autumn and winter could create a perfect home for hibernating hedgehogs. Saying No to The Mow has been popular this year, if you would like to create

less lawn and more mini wild meadows loved by wildlife, September is a good time to plan and begin sowing wildflower seeds. Plantlife, a charity dedicated to wildflowers have lots of wonderful advice.

Our garden club is joining with the Great Rissington garden club to welcome Pippa Greenwood, TV and radio personality, author and top gardener, who will be coming along to entertain us at St Lawrence Church, 7pm for 7.30pm on Wednesday October 13th with her talk, My Life in Gardening. There will be refreshments on arrival and a raffle too. Tickets for Pippa's talk are £10 for members and £15 for non members and will be available at our September 8th meeting or call Mike Marshall on 01451 820866. **Happy Gardening Julie Huckle**

Oh What A Year

September's here, Oh what a year!

A time we will never forget.

The gardens know nothing of covid
So appreciate the flowers that grow,
In a few months we'll be moaning,
When it's time to shovel the snow!!!

u3a Bourton & District

After months of struggling to fill key committee roles, it now appears we will have a viable number of members standing for election at our AGM. Thank Goodness!

The AGM will take place on 22nd September at the British Legion Hall, Bourton-on-the-water, doors opening at 10.15am, meeting starting at 10.30am, free entry. **Face coverings will be required during the meeting.**

Following the AGM, Anne Jones, a previous Chairperson and one of the founding members, will give a short talk on the history of our u3a, before we celebrate our 10th Birthday with tea and cakes. Some of our Group Organisers will have tables displaying their group's activities and be available for a chat.

If you are retired or semi retired, and considering joining the u3a, you will be very welcome to attend the meeting. We welcome men and women, couples and singles. We are non-discriminatory, non-political and non-religious. **If you are new to the area, newly retired or newly alone it is a great way to make friends.**

We are also hoping to offer live streaming of the meeting via zoom. We will contact all email members about that nearer the time.

Some of our 30+ Interest Groups, including Walking, Archaeology, Nature, Poetry and Play Reading, have already restarted. More, including, Skittles, Recorders, Mexican Train (dominos), Country Dancing, and Choir have meetings planned for September. You can see a list of all our groups on our website.

This will be my final Browser report as Chairperson. I'd like to thank the committee for their hard work, particularly during the pandemic, when we have had to cope with mastering Zoom, learning to use a new data base, keeping in touch with members remotely and interpreting ever changing instructions! I wish Paul Clark, who is standing as our new Chairperson, and the committee a somewhat smoother ride and hope that the u3a continues to flourish.

Bourton Panto Group

The long overdue Bourton Panto Group AGM will take place on Tuesday 7th September at Victoria Hall starting at 7.30. It will be followed by the first rehearsal for our 40th year anniversary performance of the Bourton-on-the-Water annual pantomime due to be staged from 2nd-5th February 2022.

If you're interested in joining in our celebration pantomime please come along and introduce yourself. We always welcome new faces, new talent and new helpers. There are a lot of back stage crew needed to put on a production so if you'd just like to get involved but don't want to go on stage, that's fine, we need your help as a lot of work goes on behind the scenes.

We are also looking for a musical director so if you're musically inclined and can encourage others to hold a note and sing the right words in the right place whilst holding a wooden sword in one hand and the principle boy in the other then please come and speak to us.

We are also in need of a dance director to keep the villagers, pirates and fairies all on their toes and swaying to the music with the occasional high kick, if you think you can do it then you're the one.

All we're looking for is an Anton and an Elton, you're out there somewhere so come and speak to us on September 7th. Or alternatively ring Jan Close on 01451 831911 Jan will be directing the next show and would appreciate your help. *Oh! yes she will!!*

Music, Art & Food on the Water

This collection of music, art and food experiences around the village on the evening of September 25th is the first activity being initiated by Bourton Business Network. The intention is to bring our community together as we collectively get on the road to post-pandemic recovery.

For residents of Bourton and surrounding villages, it is a moment to celebrate village life, thank active local people, find out about future ideas and volunteering opportunities and, most importantly of all, to acknowledge what we've all been through and sustain that sense of togetherness that was evident in the first few months of lockdown in 2020.

If, as a local business or resident, you would like to get involved in some way please drop us a line.

Maybe it's time to let your special gift shine at **Bourton's Got Talent**. Do you just want to thank someone for something they've done in the community over the last 18 months? Perhaps you want to finally throw the (cancelled) 2020 Christmas Party for your team - why not book your favourite local eatery on this special evening?

As a business, can you support the event through sponsorship? Perhaps sponsoring a Drumming Workshop for young people? Making a contribution to the cost of the musical acts around the village? Or contributing to a voucher scheme for those in reduced circumstances to ensure that everyone can participate in some way?

Come and meet your local councillors. Or get physical with some exercise on the Green!

More information will be publicised nearer the date outlining the Music, Art and Food trails round the village. But please put **Saturday 25th September, 2021** in your diary now!

The food theme continues over the weekend with the local Farmer's Market the next day so please support our local food producers.

If you would like to get involved email us at mafow2021@bourtonbusiness.net

Bourton Business Network is just starting up, on a not-for-profit basis, and our overarching aim is to provide a voice for the entire business community and to strengthen our ties with local people.
